Preface

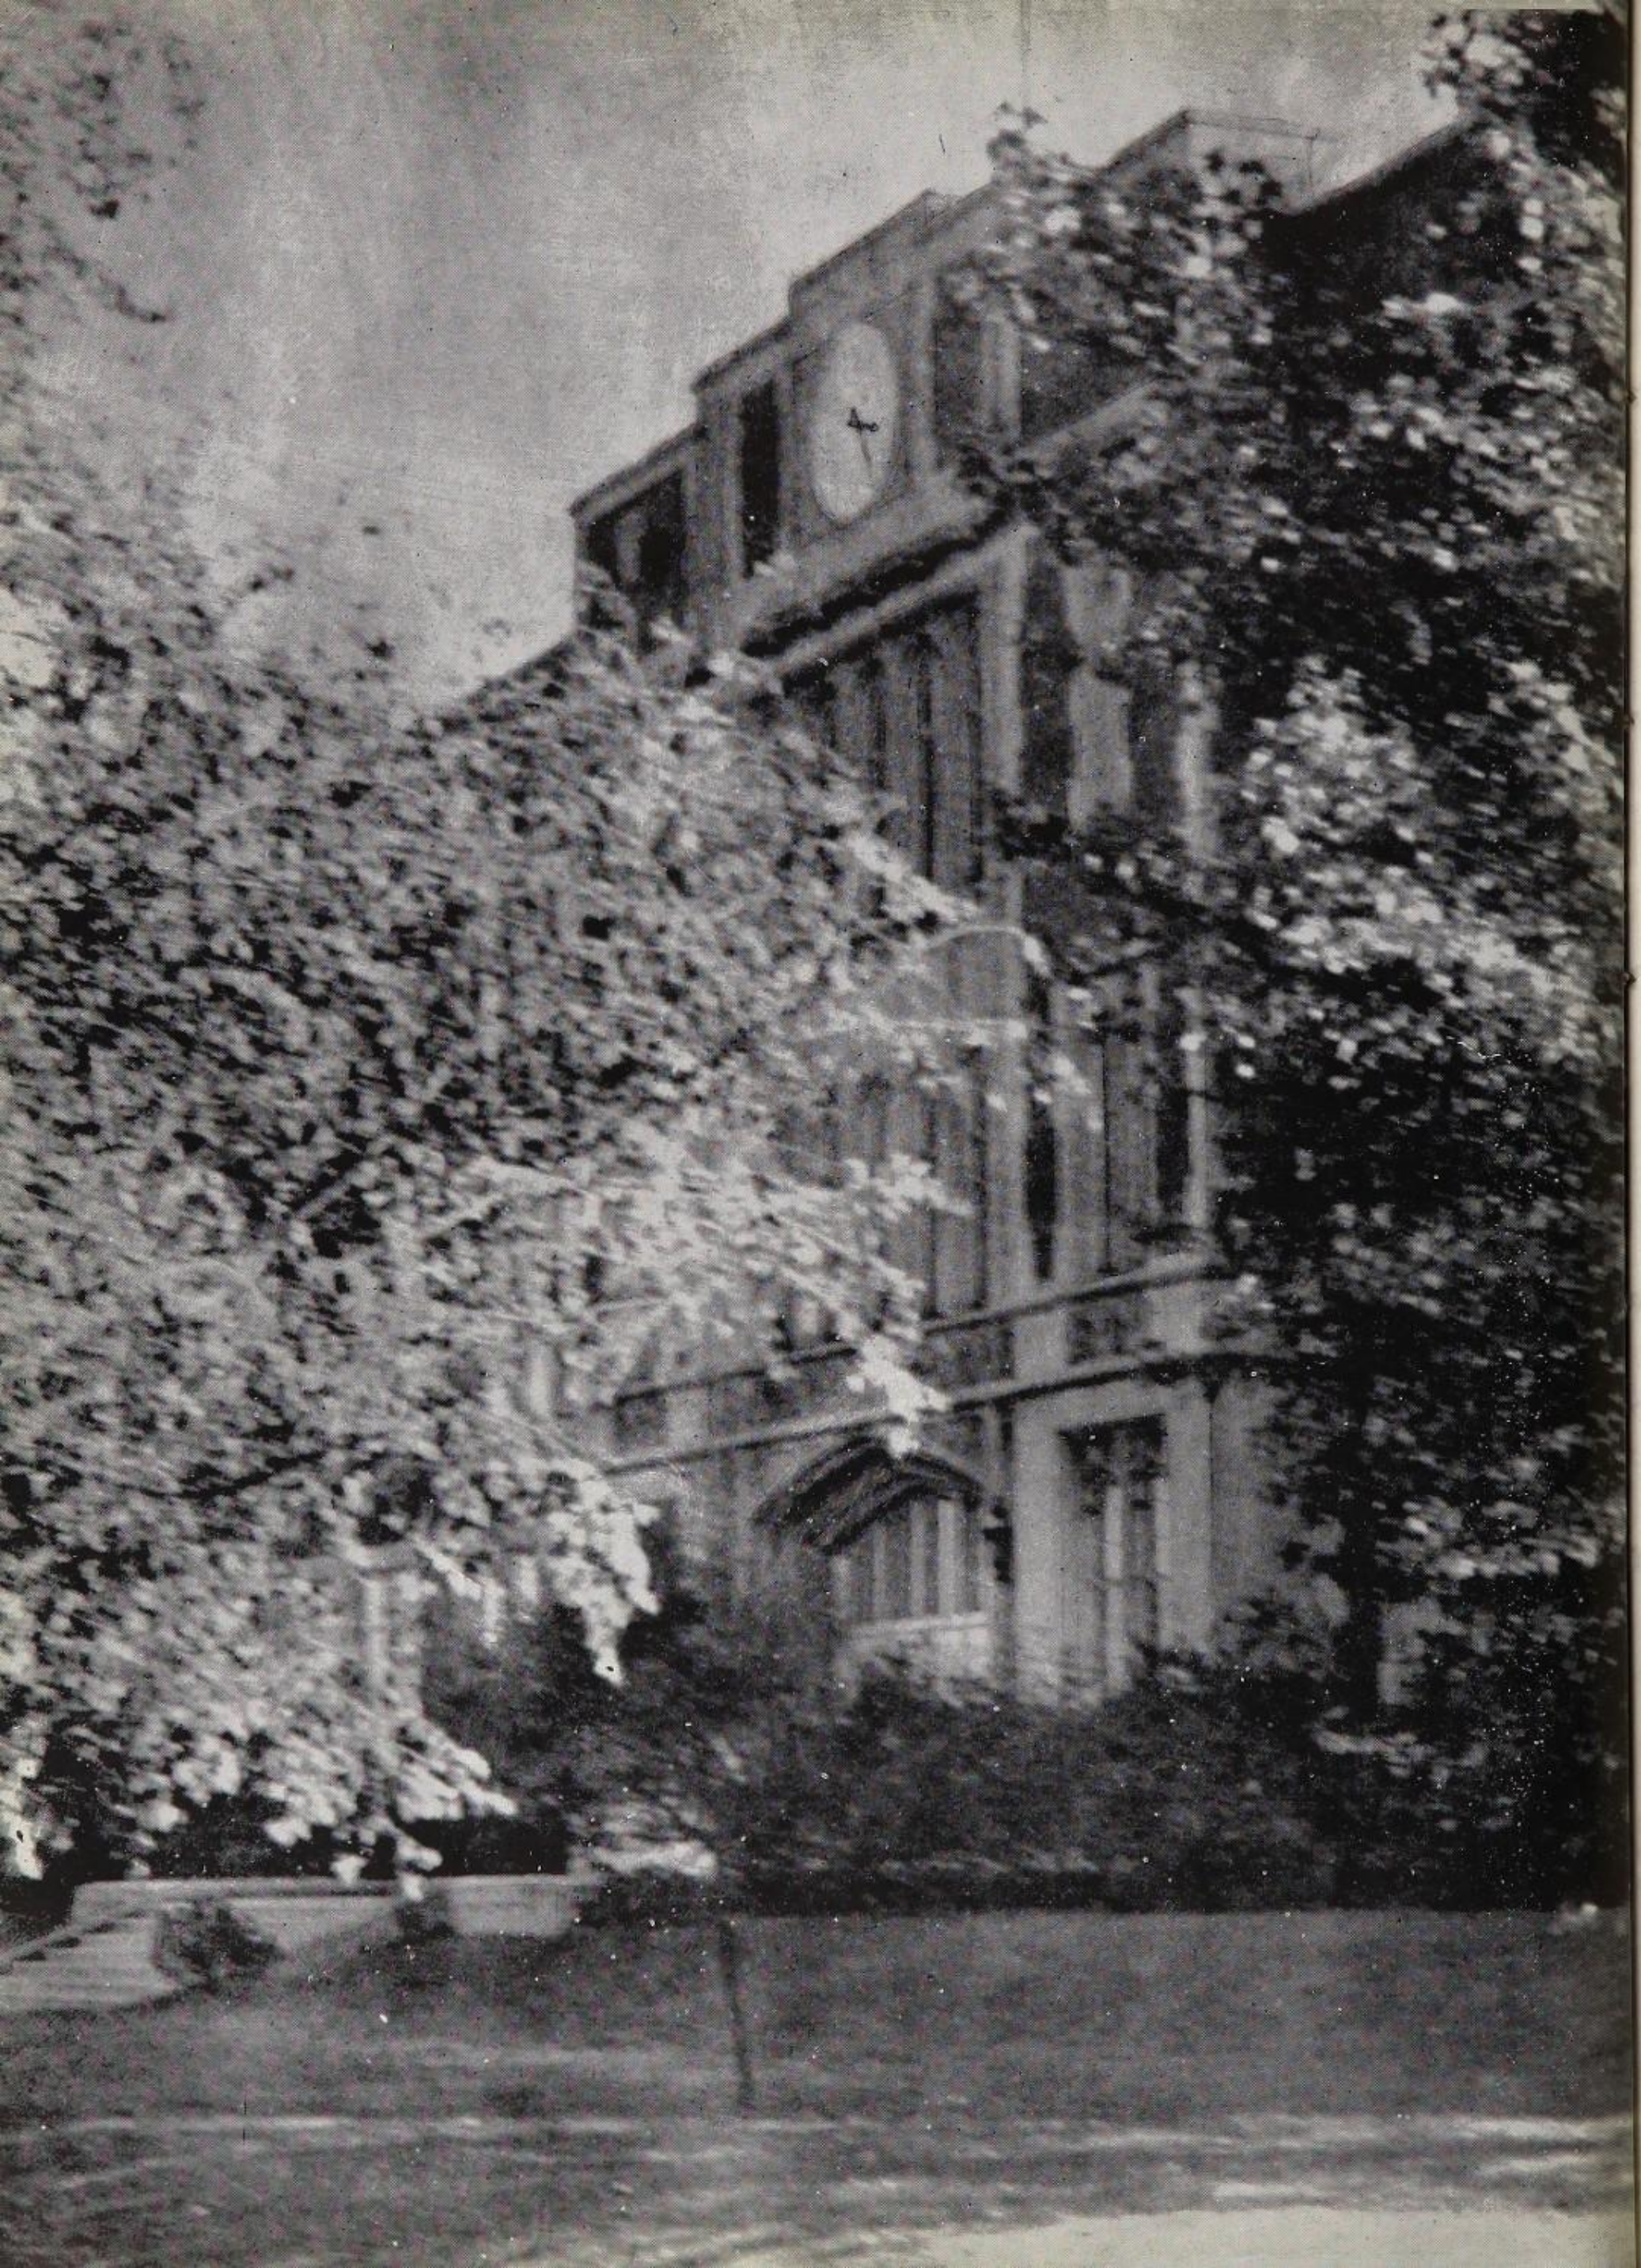
War has brought many changes to our high school. New courses have been added to our curriculum, special assemblies have been held, and various campaigns have been aided by students and faculty members. The *Medley*, too, has been affected by the war.

This year the entire staff has worked under greater hardships than in previous years. It was harder to secure advertising and was much more difficult to obtained varied and numerous photographic supplies. However, in spite of this handicap, we believe the pictures represent better photography, and even more important than that, we were able to finance the publication of our yearbook.

When we think of wars, we think of histories. Consequently, what could be more fitting than to have the war issue of the *Medley* in the form of a history.

We have tried to tell the story of Danville High School for the past year. Whether or not we have succeeded is for you to decide. We sincerely hope that on some future day this book will effectively bring pleasant memories into your thoughts and into the thoughts of your friends.

The Medley Staff of 1943.



The Best of luck in the future. Jack "Dew" Dewey.

Senior Class

This chapter of the book is devoted to the Senior Class of 1943. This class is the same class, with a few additions and losses, that started in as Freshmen in the year 1939. At that time this entire high school looked like a large place to conquer, but upon completion of the four years here, the members of this class will all agree that it was not such a tough job, and that the last year was by far the busiest. As Seniors, the students took the responsibility of setting examples for other scholars and of leading in the activities of the school.

Among the important jobs of Seniors this year were the class elections, activities, the Junior-Senior affair, Class Day, Honors Day, Baccalaureate, and finally Graduation itself. That was the day to which everyone of the class looked forward for the entire four years. Now that it has come and gone, there is a feeling of melancholy in most of the students' hearts.

JACK SHOUSE, *Historian;* JACK RIFE, *Sec.-Treas.;* DICK CHAPIN, *V-Pres.*

Many of the members of the class who were forced to leave the ranks as students have been called to the armed forces during the school year of 1942-1943. Youth is Uncle Sam's request and the class of '43 is proud to answer this call although it was with sadness that the boys departed.

It is only natural that we should mention here that throughout the high school existence of these boys and girls as a class one of the highest scholastic averages of any class has been maintained. Students have held competition among themselves, thus keeping the average of the class on a continual rise. Some of the highest semester averages in the history of Danville High School have been gained by members of the 1943 Senior Class. It was nothing for grades of 95, 96, and 97 to be received by the students. May such a standard as was set up in high school by those students be maintained throughout their lives.

Best Boy and Girl Citizen

Miss Constance Whitesell, daughter of our Coach, Ned V. Whitesell, made her father quite proud this past year when she won the best girl citizen award made by the Danville chapter of the Daughters of the American Revolution.

Connie, as she is known to her many friends, was interested in numerous and varied activities. She was this year's president of Booster Club, a Girl Reserve, a member of Girls' Club and the Maroon and White staff.

John Eckert, the best boy citizen, won the Kiwanis award. John was Business Manager of the Maroon and White, on the school radio staff for four years, and at present he is announcing part time over WDAN—quite an accomplishment for a high school student.

After the war John wants to go to an engineering school. He has taken four years of math here, all of which should help him in his engineering.

Here are the best wishes and all the success possible from Danville High to you, Connie Whitesell and John Eckert.

Riding High

Let them come! Let them go!
With strife, with the show.
Let the years onward fly,
In their haste flaming high,
Let the night slumber on;
Light must come, with the dawn

Let's be off! Let's be off!
Let them smile! Let them scoff
May our will make our gains
We may now take the reins,
With our faith in the right,
We'll be safe through the night.

Riding high with our blue in the sky,
Both our feet in the biege of the sand,
We are writing our names on the pages of time,
We're waiting the sound of command.

CLASSES

Front Row—M. Luke, D. Van Dyke, President; J. Strader, P. Darrough.
Back Row—J. Seawright, Mr. Johnson, J. Cummins.

Junior Class

The class which is known as Juniors this year was formed in 1940. For three years it has stayed together remarkably well. The members were truly aware they had passed through the hardest part of high school when Mr. C. O. Johnson became their adviser and they accepted the title of "upper-classmen."

IN MEMORIAM

Out of the strain of Doing,
Into the peace of Done;
Out in the thrust of Pursuing,
Into the rapture of Won.
Out of the grey mists to brightness,
Out of the pale dusk to Dawn-
Out of all wrong into rightness,
We from these fields shall be gone.
"Nay," say the saints, "Not gone but to come,
"Into eternity's Harvest Home."

EDWARD DEWEY

Edward Dewey, the son of Mr. and Mrs. Jack Dewey of 118 N. State Street, was born on May 9, 1926, and died July 7, 1942. He attended Cannon School and had just finished his first year of high school.

GEORGE MOFFETT

George Lloyd Moffett, the son of Mr. and Mrs. George Moffett of 429 N. Gilbert Street, was born on December 23, 1927. He attended Washington School and would have been a freshman in high school last September if he had not been killed by a truck on August 27, 1942.

PATRICIA ROARK

Patricia Roark, the daughter of Mr. and Mrs. L. D. Roark of 9 Cronkhite, was born on December 5, 1925. She was raised in Hoopeston and did not come to Danville until she entered the fifth grade. Here she attended Elmwood and Cannon Schools before attending high school in the spring of 1940. Being active in Dramatic Club, she took part in the play, "Midnight". Having been a cub reporter last year, she had been chosen to be on the second staff of the *Maroon and White* this year. She died on August 24, 1942.

RUTH WRISK

Ruth Wrisk, the daughter of Mr. and Mrs. Frank Wrisk of 211 E. 8th St., Tilton, was born on Dec. 1, 1927, in Detroit. She was a member of a chorus class, Girl Reserves, and Home Economics Club. Her sense of humor, her ambition, her sincerity, and her cheerfulness were missed by students and teachers. She died on Palm Sunday, April 18, 1943.

Back Row—Miss Larson, D. Poisall, D. Ennis, Mr. Robertson. *Front Row*—D. Freeman, M. Herman, President; W. Campbell, P. Campbell.

Sophomore Class

In 1941 a new group of students came into the halls of D.H.S. ready to establish themselves in the famed school. This year that group of students is known as the Sophomores. They have taken part in the many activities sponsored by the various organizations and are rapidly gaining a name for themselves in our school. A special event of the year was the "Spring Swing".

Freshman Class

1943's Freshman class, the graduating class of '47, is the largest Freshman class on Danville's records. As such, it is already exhilarating enthuiasm for all-around citizenship, music, sports, etc. As Freshmen, the members have set a high goal for themselves. They cooperated with the Sophomores to give the "Spring Swing".

ADMINISTRATION

MR. VANCE

MR. VANCE

A recognized face to every green freshman is that of Mr. Vance, the superintendent of Danville Schools. As he was a good friend in grade school, he was a friend of old standing when students saw him around the halls of Danville High School. Throughout high school and life Mr. Vance shall remain to all students who have ever had the pleasure of coming in contact with him, one of their best friends.

MR. BATES

MR. BATES

Although sometimes seeming rather "tough" to the upperclassmen, as well as the undergraduates, Mr. E. A. Bates, registrar, has won a place in the hearts of the Danville High School students.

Besides being registrar, Mr. Bates is also a teacher in the socal science department. American History students are well aware of this fact, and most of them will agree that he is one fine fellow to know.

MISS THOMPSON

MISS THOMPSON

Dean of Girls, Miss Helen Thompson, is a good sport and a fun-loving person. Most girls find that she is very understanding and helpful. She is very considerate and willing to talk to any of the girls about problems they may have. Her kindness has made her a friend of many boys as well as girls, and remains a friend years after graduation.

In addition to being the Dean of Girls, Miss Thompson is one of the co-advisers of Girl Reserves. Here also, she makes many friends and proves to be an enjoyable companion.

To these three members of the executive part of Danville High School, the adjectives amicable, understanding, and considerate would certainly apply. Our thanks is sincerely given to you three friends.

MR. DUFFIN

"Always smiling" could certainly be a phrase to perfectly describe our principal, Mr. Russell M. Duffin. That is, he is smiling if we have been good boys and girls! Since we hate to see a frown on his brow, we all try not to give him reason for having it like that.

This year, Mr. Duffin made history by abandoning his famous speech, "Pass to your first hour classes" and substituted "Pass to your *third* hour classes." This little speech occurs after every assembly.

Sometimes the students of Danville High School seem unaware of our principal, but it is a known fact that his efforts in our behalf are really appreciated.

MR. DUFFIN

MR. D. V. SCHOOLCRAFT

While applying phrases to describe members of the school office force, we came upon that of "Number One Booster of Danville High School" for our Dean of Boys. In these trying times, Mr. Schoolcraft does all that is in his power to help the boys of D.H.S. He is a friend of all the boys and takes care to remain one as long as possible.

Although much of his time is taken by the boys of the school, Mr. Schoolcraft finds time to act as co-adviser of the Booster Club. As such he works hard to see that his pep is spread throughout the halls of our school.

The members of the student body of Danville High School wish to express their thanks to these two members of the executive department of the school for remembering that "Patience is their guide."

Left to Right—Mr. Bates, Mr. Schoolcraft, Mr. Duffin, Miss Thompson, Mr. Vance.

BOARD OF EDUCATION. Very little is seen of the Board of Education, but they are always doing their utmost to run our high school in a pleasing and successful manner. Through this publication, the student body wishes to express its thanks.

P.T.A. The P.T.A. (Parent-Teachers Association) is an organization founded to bring the parents and teachers closer together in clearing up the problems that oftentimes confront the student. It is truly a great bond between parents and teachers.

OFFICE STAFF. Taking care of the records of some 3,000 students is quite a job but that is what the office staff has to do.

CAFETERIA AIDS. Feeding the students of Danville High School is sure a big job. Under the able leadership of Mrs. Crim, the personnel of the cafeteria do a grand job. We all appreciate you very much.

MAINTENANCE MEN. The army of the halls would be a suitable name for the maintenance men; it takes an army to keep our halls clean! Mr. Ollis can often be seen pushing his broom around the halls, as can his colleagues. He also has charge of all stage movements and does a fine job.

ATHLETICS

CHAMPAIGN

Boys' Athletic Association

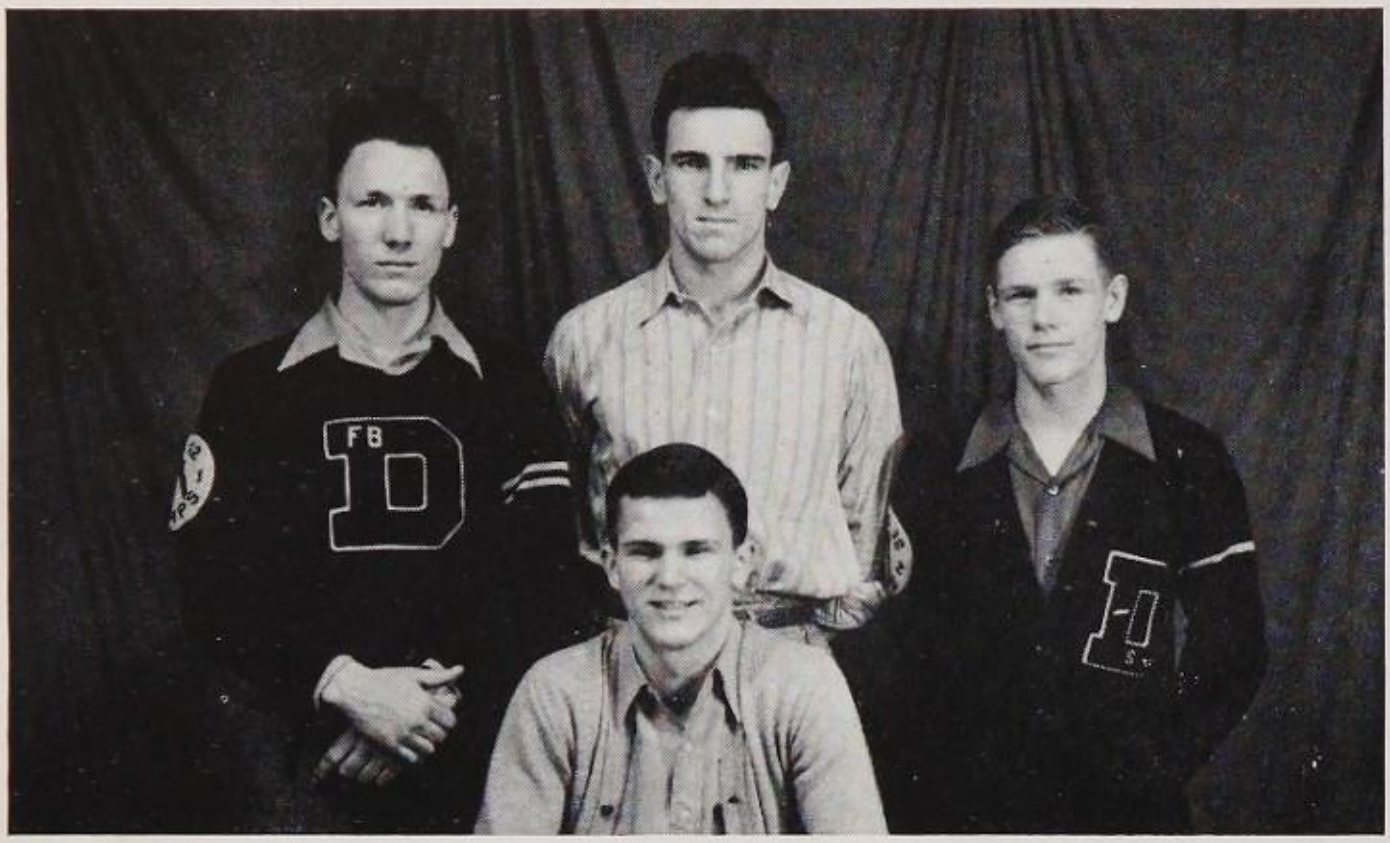
Another important chapter in the athletic life of the boys in Danville High School is the Boys' Athletic Association or the B. A. A.

A more proper name for this organization is the Athletic Board of Control. One of the most important duties of the B. A. A. is the choosing, by election, the captains of the various athletic teams of our school The boys eligible for the privilege of voting are the boys on the respective team for which they are choosing a captain; "D" men are not allowed to vote for captain for a team on which they do not participate. The officers of the association, together with the athletic head of the school, preside over all team elections by the various team members.

In many respects, this duty of awarding letters and points to the members of a team, is by far the most important to the athletes of D. H. S. Again the officers of the B. A. A., the athletic director, and the coach of the team on which the future "D" men played, decide to whom letters or points are awarded. No favoritism of any shape or form is shown by the judges in the awarding of letters and points. There is no partiality of any kind because there are representatives of every set in the school; in this manner, many different views are expressed at every election. It is a true sportsman's organization.

B. Hart, G. Stimac, D. Day, Mr. Whitesell, Dick Aston, president.

Selecting the "D" Men.



W. Rosenthal, W. Mauck, R. Winland, G. Faas, acting pres., (J. Bailey, president, absent).

The Boys' "D" Association

One of the largest and most important "Chapters" of "Life in D. H. S." is the Boys' "D" Association. This organization is one of the chief factors in athletic leadership of the boys of D. H. S.

All boys who have earned a coveted "D" are eligible for being a member and holding one of the offices in the "D" Association.

Besides being a great inspiration for all future "D" men, this is also a very active group of boys who are hoping to further their goals and ideals in their own eyes as well as in the eyes of others.

One of the most important activities of the club is the annual banquet given by it for all boys who have earned either points or letters during the current athletic year. During this banquet, letters and points are awarded to the boys, speeches are given by a guest speaker and various other speakers picked from the faculty members. Everyone is very thoroughly entertained.

Another important activity of the association is the yearly handling and distribution of the programs for all athletic events. Members of the "D" Association volunteer for service in the distribution of the programs, and it is all done of their own free will.

These are only a part of the many activities of this organization. There are many others which make membership an invaluable pleasure to the boys. The Boys' "D" Association is truly a real group of leaders. May it long serve as a reminder to all those who seek to be shown that all American boys are real "Red-blooded Americans".

MR. WHITESELL

Speaking for the entire student body, we would like to take this opportunity to express our sincere thanks and appreciation for the fine job that our athletic head, Mr. Whitesell, is doing. During the years that he has been here with us, he has surely turned out some grand football and basketball teams. It takes a lot of work to turn out a good team, in case you have never thought about it. You're a swell guy, Mr. Whitesell, and we'll always cherish the memories of knowing you.

Varsity Football

The D. H. S. gridders won and lost some tough games this year. They finished a not too successful season with a record of 4 wins, 3 losses and 2 ties. The Maroons were rolling up 124 points while their opponents compiled a total of 97. Now for a rapid review of the season.

DANVILLE	39	MILFORD	0
DANVILLE	13	KANKAKEE	7
DANVILLE	7	URBANA	19

In their first Big 12 contest, the Maroons dropped by the wayside on the short end of a 19-7 score with Urbana. In the first quarter, the Maroons were in top form. Moore galloped 25 yards for the first score after but 6 minutes had elapsed. From here on, it was all Urbana. The Tigers scored once in the second period and twice in the last quarter to completely rout the hapless Maroons.

DANVILLE	7	WESTVILLE	7

Yes, Westville returned to Danville's schedule. The game was played before 5,000 fans and it was a good, clean, hard fought game from the start.

Westville was first to score by pushing across a tally in the third quarter. The Maroons came back in the last quarter to score on Al Hoss' plunge. Daws' conversion was good. Thus the score ended 7 to 7. The game was very closely contested and the crowd was well pleased with sportsmanship showed by both teams. Both sides of the athletic field were packed with yelling, yowling fans from other towns as well as Danville and Westville. It was a common opinion after the game, among students and elders alike, that these two teams will play again in the very near future.

DANVILLE.....13 CHAMPAIGN 14

Danville started with a bang. With only 2 minutes gone, the Maroons scored the first touchdown. From here on, the game was played in the air. Danville's weak pass defense was the deciding point in this game.

DANVILLE.....13 MATTOON 13

Once again the Maroons started off with a bang by scoring twice in the first half to hold a 13-0 lead at half time. The "Green Wave" from Mattoon must have been shot in the arm at the intermission because in one minute and a half, they had tied the score. One of these tallies came when Young, Mattoon center, snatched the ball from Moore's hand to race for a touchdown.

DANVILLE.....19 WILEY 7

In this game, the Maroons came from behind to win for a change. At the half, the Whitesellmen were losing 7 to 6. However, the Maroons started to roll in the third period. Stimac scored on a quick opening play to give Danville the lead. In the last quarter, the Maroons scored again on a pass, to give them a victory.

DANVILLE..... 0 STREATOR 21

This is one of the worst defeats ever handed to a Danville team. Although the Maroons played "lousy" ball, we can't take any credit away from a truly great Streator team.

DANVILLE.....13 DECATUR 9

In a sea and mud battle, the Maroons finished their season with a win. Behind at the halftime intermission 9-0, the Maroons came out and played heads-up ball to win. Both of our scores came on passes.

The Danville Reserve football team didn't fare so well this year, losing three games and tieing one. The annual game with Paris was called off this year because of traveling difficulties. The body of this yeara's reserve team will form the backbone of next year's team and we should have a fairly good team. The scores are:

Varsity Basketball

A tall husky Maroon squad opened the season with a victory over a strong Catlin squad. The score was 35 to 29.

Two days later they journeyed to Kankakee, where they came from behind in the last quarter to win, 32 to 23.

The Streator game was next and on their own floor we beat them badly, 45 to 29. They were last year's Big 12 Champs and it was quite a feather in our cap to win.

At Urbana the next week, after leading by a few points the whole game, we lost out in an overtime, 34 to 35. The overtime was played under protest as the referee claimed a Danville free throw did not count. This allowed Urbana to have the same score that we did at the end of the game.

The Georgetown game was looked forward to as we had not played them for several years. We defeated them handily, 44 to 28.

Next, we went to Mattoon, where we beat them 37 to 29. Ray Crites, Danville high point man, in the confusion of the battle, scored a field goal for Mattoon. It was remembered as the most humorous happening of the season for we were far ahead at the time.

Streator was then defeated for the second time, 40 to 26. Their fast break had kept them within two points of Danville the first half, but we pulled away with a big third quarter.

Mattoon came back here a different team and almost defeated us. We finally won, 27 to 22.

We defeated Milford 35 to 29 in a rather slow game, but both teams played hard.

The Kankakee team on Saturday night was a fast, hard fighting team but our boys were "hotter than a little red wagon" and poured in the points whenever the Kays got too close. We win again, 36 to 28.

The next week was the worst of the season for the Maroons. On Friday at Champaign in a rough game, we were off and lost 22 to 28. Capt. Faas was ejected from the game for unnecessary rough tactics.

Saturday night we went to Decatur, where we absorbed about the worst beating of the year, 43 to 29. Champaign and Decatur were eventually Co-Big 12 Champs for the 1942-43 season.

Urbana beat us at our best here for our third loss in a row and longest losing streak of the season.

Watseka came to Danville with a season's record of 20 wins and 3 defeats. We made it 4 defeats for them by winning 35 to 19.

Saturday night in the final regular scheduled game, we beat a strong Paxton team 46 to 33.

In the Regional Tournament at Westville, we defeated Oakwood 52 to 13 and Georgetown 41 to 26. Then in the championship game against Allerton, whose season record was 22 wins and 1 defeat, "Moose" Mauck led Danville to a 42 to 33 victory. Mauck played what was probably the best game of his high school career, scoring 22 points.

In the Sectional Tournament here, we beat Paxton in a thriller, 24 to 21. Champaign easily defeated Cissna Park. We now needed one more win to get to the state. The gym was packed, special bleachers were installed, and still some of the patrons had to stand to watch this championship game. It was the largest crowd ever in the D. H. S. gym. We played Champaign to a draw in the first half. In the second half they scored the first basket and kept at least a two-point margin for the rest of the game and with it a trip to the state. They had kept the basketball jinx over Danville which has carried them to 10 straight wins over us. The last eight by anywhere from 1 to 8 points. Congratulations to our best basketball team in six years. They had a fine record, being beaten by only three teams. Again, Coach Whitesell has given us another great team to be long remembered.

RESERVE BASKETBALL

The unacclaimed team of reserve players certainly deserves mention for the ability which they displayed before each of our varsity basketball games. Some of these games were very close contests, and they proved just as much interest to the spectators as the regular games. The scores of the games were as follows:

H	Danville	38	Catlin	27	T	Danville	24	Champaign	35

Wrestling

One of the smaller athletic teams here at Danville High School is the wrestling team. Although it is small, it is one of the most important sports, and it is ably coached by Mr. Lester Bandy of the Boys' Physical Education Department.

Because of travel difficulties, the team's schedule was somewhat disrupted this past year. However, the highlights of the season were the intramural contest, the sophomore class emerging victoriously, and the state tournament. At these tournaments Tom Acree took second place in the 165 pound, and Bob Mann took third in the 115 pound class. In all there were five boys from school who entered the tournaments. They were Bob Mann, Tom Acree, Dick Hong, Cliff Kimberlin, and Martin Wright.

Ushers

The ushers are a voluntary group of boys under the direction of Mr. Schoolcraft, our beloved dean of boys. Their duties are concerned with keeping an orderly crowd at all of our basketball games at home. They are a familiar and welcome sight in their Maroon uniforms stationed at various points throughout the gymnasium. They are a help to our coaches and managers, too, because they keep the floor cleared of paper, keep the crowd off of the floor between halves, and just generally make themselves useful.

The idea is one that has never been tried in any other Big 12 school, and it has been acclaimed as one of the best and most practical features of the high school's athletic program. The time and effort put forth by this organization is not fully realized by the majority of the student body and patrons, and we sincerely hope that by this issue we have given you a clear picture of their very worth while work. We are hoping to see them on our programs for a long, long time.

VARSITY SWIMMERS

Once again our swimmers ended up with a very successful season, although there was no Big 12 contest this year, due to war restrictions, Danville was again rated high favorite to keep the championship cup under its wing.

Coach Burow and Captain Don Phelps led the team to four wins out of five dual meets, the only loss being administered by last year's state winning champions from New Trier. Danville defeated Champaign and Onarga Military Institute both twice and each time by top-heavy scores. The mermen had considerable success in the state meet, where Ed "Blow" Hegeler and Captain Phelps each won fifth place in the 150 yard breast stroke and back stroke, respectively. "Blow" Hegeler, after qualifying the second best time in the state, failed to come through in all the excitement and ended up with fifth place. The medley relay team, composed of these same two stars, and Jim Boring, got a fourth place.

Danville has long been a haven for producing fine swimmers, together with the Y. M. C. A., the Country Club and other pools around the surrounding country that offer numerous opportunities for those who are interested in becoming swimmers of a high degree. One of the basic factors to the success of the team under Mr. Burow, is sponsoring of the grade school swimming contests. At these events, Mr. Burow has an opportunity to see the prospects for the next few years to come and just whom he will be able to count on as good swimmer material.

With the boys who are left from this year's fine team and those who are coming into high school from the grade schools, Danville should be able to dominate the Big 12 swimming for quite a few years to come. Besides victories over Champaign and Onarga Military Institute this year, we also had victories over Wiley High of Terre Haute.

Just to give you a little "dope" on the beloved swimming coach, Mr. Burow, let us ramble for a few moments on several of his most pleasant characteristics. After speaking with several of the boys on the swimming team and other swimmers of the eighth-hour class. we find that the Coach just loves to frolic with his prodigies in that rugged game of water-polo or tag. We also found out though, that when the Coach wants his boys to settle down to working, he means work. Although perspiration may not bother the boys, you can bet that they do their share of athletic work, they have to to keep up their championship ways. Here's wishing continued success to the most successful team of our entire athletic program.

Track Team

Last year's track team started out with a bang, taking several of their first meets and running close seconds in the others. Again under the direction of the coaches, Mr. Harms and Mr. Mingee, the squad started practice in the early spring and ran until the last of May.

In the district meet, they brought down third place, with several of the boys winning the high ribbons. In the Big 12 meet, the boys didn't give it all they had and ended up in one of the lower places. Many of the boys on last year's squad returned to give us a fine team this year.

UP AND OVER!!

Golf

Due to wartime restrictions, most of the Big 12 schools dropped the sport of golf this year. As one of these, the coach of D. H. S.'s team, Mr. Hogbin, found himself a coach without a team.

Last year, however, our team took part in the district meet, but were not very successful. So until after the war, we shall have to wait for the chance to redeem ourselves.

D. H. S. Tennis Team

Early each spring a call for all tennis players to try out for the D. H. S. Tennis Squad is issued by Coach Glen Robertson

Through an elimination tournament the team, consisting of from eight to ten players, is organized. This year they were Captain Jim Boring, Captain-elect John Anders, Jack Odum, Gene Anderson, Delbert Hay, Charles Supple, John Dettman and Don Wagner.

These boys have had a fair season, having an average of .500 in six matches.

In the District Tournament, held at Danville in Lincoln Park, the D. H. S. Tennis Team placed second; Captain Boring and Odum, the doubles team, and Anders, a singles player, advanced to the State Tournament. There the doubles team was defeated in the first round; the singles player was defeated in the third round.

At the Big 12 Conference Elimination Tournament held at Champaign Captain Boring advanced to the semi-finals, where he was defeated in the quarter finals. The first doubles team, Anderson and Odum, was defeated in the first round. The second doubles team, Hay and Supple, was defeated in the second round. May future teams of D. H. S. be as successful as in the year of 1942-1943.

G. A. A. Cabinet

Just like any other organization, the G. A. A. also has a board of control. This group plans all of the meetings, the play day, banquet, initiation and any other affair that may take place. It is made up of the president, vice-president, secretary and treasurer and the chairmen of each of the girls' sports.

For each sport in which the girls participate, soccer, volley ball, baseball, hockey, tennis, etc., a chairman is appointed. It is her business to supervise the entire sport and under her expert guidance, all the girls have a very profitable and enjoyable time.

Sports Chairmen

Last year, 1942, a new idea was introduced—that of having sports chairmen. The new idea had such a startling success that the practice has been continued through 1943.

The idea behind the sports chairmen is that they take care of all the equipment used in the sport in which they are in charge. These chairmen are put in charge of an individual sport, and they are expected to be the leaders and good sports as well as the keepers of law and order for the sport.

Usually, the girls who are appointed as the sports chairmen are the ones who are slated to be awarded either the coveted "I" awards or the higher award, the "State Award".

GIRLS' BASKETBALL

For the third consecutive year, the Senior class girls, the graduates of '43, again emerged victorious from the interclass basketball tournament which is sponsored each year by the Girls' Athletic Association.

Anyone in this organization is eligible to go out for the team which will represent their class in school.

This year, the final game was between the Juniors and Seniors, with the Juniors taking second place.

First Row—E. Repasy, R. Deeken, P. White.
Second Row—E. M. Johnston, H. Krabbe, L. Ondercho.
Third Row—W. Killough, G. Bott, J. Tharp, J. Leibach, E. Yarusinsky.

GIRLS' BOWLING

One of the newest and most popular sports offered to the girls of Danville High School this year is that of bowling. It has its manager and team captains just the same as all of the other sports in school, and the competition is keen between both teams and individuals.

As this sport, which was just introduced this year, has proven to be so popular, it will remain one of the regular extra-curricular activities to be offered each year.

GIRLS' "D" ASSOCIATION

A sister organization of the Girls' Athletic Association is the Girls' "D" Association, and only those girls who have obtained the required qualifications are eligible for this club.

The organization corresponds to the Boys' Athletic Association and is managed in much the same way.

Just as the B. A. A. is a true sportsman's organization for all of the athletic boys in D. H. S., the same is true of the girls'.

"I" AWARDS

Whenever juniors get their "I" award, it is truly a sign of the fun and effort that they have put forth in staying after school hours to participate in the various sports sponsored by the G. A. A.

The "I" award comes before the State Award in that it does not require as many G. A. A. points.

The "I" award, more so than the State award, is worn on the girls' sweaters and is the approximate equivalent of the boys' "D" award.

Just like the boys' athletic program serves to make better manhood for the world of tomorrow, so does the G. A. A. and its various awards to the girls. Keep it up, girls, you're doing a grand job.

"I" AWARDS

Back Row—Ethel Mae Johnston, Elizabeth Repasy, Evelyn Yarusinsky, Lucille Ondercho, Eleanor Zander, Wilma Killough.

Front Row—Helen Schmidt, Joann Leibach, Johanna Tharp.

STATE AWARDS

The highest award that all G. A. A. members strive to attain is the State Award.

To be eligible for the award, a girl must attain 2,000 G. A. A. points. G. A. A. points are obtained by their participation in various sports and their show of good sportsmanship.

The State Award can be hung on the wall as a decoration, or can be worn on sweaters. The girls seldom wear the emblems on their sweaters though, as a rule.

Any girl that is going to be active in the G. A. A. always strives to start getting her necessary points for the award early in her high school terms. This and other awards serve as an inspiration to girls who wish to raise their ideals and morals.

ORGANIZATIONS

Dramatic Club

For students who yearn for drama, Dramatic Club is just the thing. This club is the only one in D. H. S. in which membership is gained by competitive try-outs. The fine productions which are produced show evidence of the talent and hard work given by club members.

The entire club is divided into small play groups with a chairman for each group. At regular meetings, these play groups entertain the other members with amusing one-act plays. Experience is gained from these small plays and is of use later in the long plays.

A cabinet directs the affairs of the D. H. S. Players, and it meets every other Monday. Miss Miller, adviser and coach, presides at these meetings.

The D. H. S. Players contribute much to the entertainment of the high school with their two big productions, Dramatic Club and Senior Class Plays.

Another highlight in the club year is the annual Dramatic Club Christmas Banquet, at which the past and present members of the club get together to renew acquaintances. Everyone is anxious to get into the holiday spirit.

To Miss Miller and her fine club go our thanks for the fine job in keeping up morale.

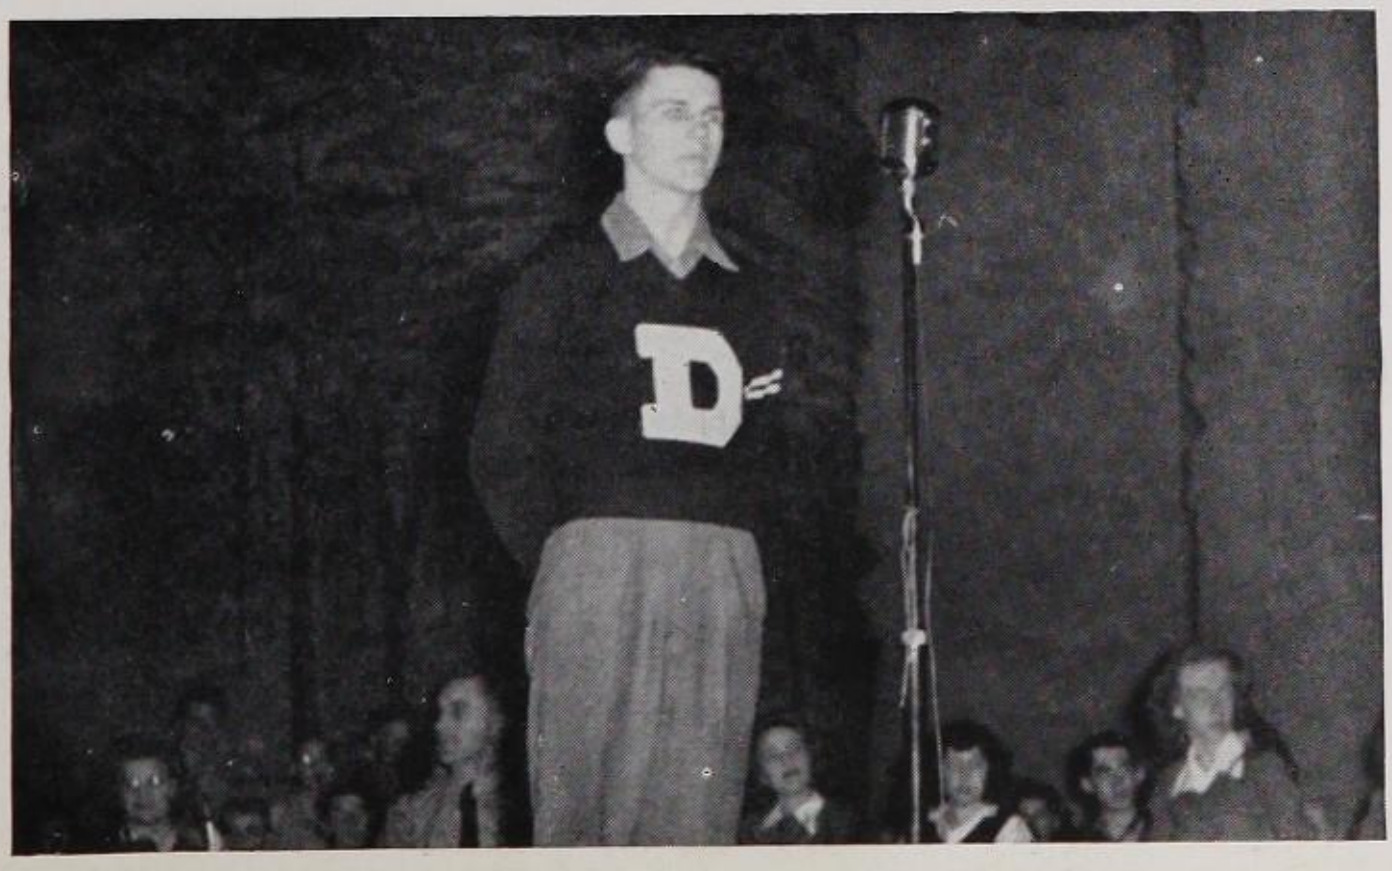
THE BOOSTERS DANCE



CAPTAIN FAAS AND PEP!!

Booster Club

One of the best known and most popular organizations for both boys and girls is the D. H. S. Booster Club. Because this club is open to boys and girls, there is a boy and girl president. In addition, there are the secretary, the treasurer, and twenty captains. Each captain is allowed to take into membership ten members, making a total of two hundred members in the club.

Guided by the patient efforts of two teacher advisers, the club sponsors and backs all pep meetings and pep sessions while striving to keep the school in a cheerful mood.

The annual dinner given by the Booster Club for all letter-men of our school is to show the appreciation of the efforts put forth by our athletic men. It is looked forward to by the "D" men and Booster members with a great deal of anxiety.

At the latter part of the spring semester, a final party is the allotted time for the election of officers for the next year. Here every member is really glad to be a Booster for each has a fine time.

Girls' Club

The largest and oldest chapter of D. H. S. life is the Girls' Club. It is the one club in school that any girl may belong to, and may have an active part in the activities of the entire club.

It is the aim of this popular club to spread good cheer and friendliness. Surely the newly enrolled girls that come to our school find it much easier to get acquainted with other girls and teachers with the help of this club.

The activities of this important organization are infinitely numerous, but among the outstanding ones are the sponsoring of the two annual "All School Parties", after school dances, and ever present at the athletic events are the members selling candy and ice cream. One of the outstanding points about this organization is that every officer elected has her definite duty to carry out during her term. When a girl is elected to help lead this club, she not only inherits an honor, but she also is given a job that will, in some way, serve to prepare her for her life outside of school. Long may the Girls' Club banner wave!

Third Row—B. Mullarkey, S. Smerdel, B. Wood, B. Syrcle, P. Lauten, E. Bishop.

Six committees worked under the guidance of the officers and advisers of Girls' Club.

The financial committee earned money for the club and provided refreshments for the spectators at the football and basketball games by selling ice cream and candy.

This year the membership committee held an effective membership drive by dividing the girls into two teams, the Army and the Navy, and holding a contest to see which team could secure the most members.

The program committee did an excellent job of providing interesting meetings, and the publicity committee never failed to have attractive posters on the study hall boards to announce each meeting.

The principal duty of the social service committee was to prepare for the annual Christmas party given for 200 young chlidren. Members of the club cared for the children, bringing them to the party and back again to their respective grade schools after the party was over. Each committee has a definite task to perform and each one did its work very efficiently.

Girls' Club Social Activities

GETTING READY FOR THE PARTY

The most prominent feature in the social activities of the Girls' Club was the semi-annual All-School Party. This year, however, it was possible to have only one, but that one was indeed a gala occasion.

The theme of "Gypsy Carnival" was well carried through by fortune telling, and games of chance and skill. Two entertaining floor shows were presented, and the very popular D. H. S. Swing Band provided the music.

Since this year was the fortieth anniversary of the founding of Girls' Club, an elaborate and memorable birthday party was held. Mrs. Frances Pearson Meeks, the founder of the club, spoke. A candle was then lighted for each of the years in the life of Girls' Club, comments about each year being given. A two-tiered beautifully decorated birthday cake and other refreshments were served.

For Girls' Club the last social event of the year was the cabinet banquet. At this time the work of the seniors on the cabinet was recognized and past, present, and newly-elected presidents of the club spoke. This banquet was an inspirational climax to Girls' Club work.

Girls' Club Meetings

This year the Girls' Club meetings were even more varied and interesting than before. Each meeting was definitely planned for the members' enjoyment. Fashion shows were given. In one, the styles of different periods in history were displayed, while in the other the correct and incorrect forms of dress for the "Victory Girl" were discussed and illustrated. The restrictions on clothing due to the war were explained.

At one of the meetings the advisers gave a never-to-be-forgotten play, "School Daze", in which the characteristics of Danville High School students were strikingly and humorously presented.

A Christmas party was also given by the Dramatic Group of Girls' Club. The book, *A Crusader in Crinoline,* dealing with the life of Harriet Beecher Stowe, was reviewed. Transfer students held a panel discussion to describe the features of the schools they had previously attended. Several teas and a "coke" party were also enjoyed at the meetings of this year.

International Club

JUANITA WATT Presides at a Meeting.

The members of the foreign language department of our school have formed what is known as the International Club of D. H. S.

To be a member of this organization, one must be enrolled in some foreign language. On their regular meeting days, the second Monday in each month, all the members pool their talents to carry out the aims of the club. These aims are: to promote good fellowship, international understanding, and to increase their knowledge of the different countries that they are particularly interested in. The entertainment for the meetings is furnished by talented members of the club with an occasional visit from an outsider. This year, the highlight of all the meetings was the visit from Mr. Marshall Penfield. He talked of the three countries that we are now most interested in, Morocco, Tunisia, and Algeria. This club offers education outside of school and many students take advantage of it; may it long survive and keep up the high interest that it has worked hard and long to maintain.

Science Club

In D. H. S., one of the most fascinating clubs in the entire school, is the Science Club.

Under the advisory board, made up of Mr. C. O. Johnson, Mr. Zeiter, Mr. Harms and all of the other science teachers, the Science Club members, all interested in science of some sort, strive to increase their knowledge of science, outside of their classes.

Many interesting meetings are held throughout the school year, covering almost every conceivable scientific subject. Among the activities of this club, are the special meetings at which special speakers from outside of school tell the members of this organization about up-to-date facts, about up-to-date subjects and projects. Besides these talks, the club has its annual spring picnic, at which the next year's president is elected, together with the other officers for the coming year. As a rule, the leaders of the Science Club are the members of the science classes who do outstanding work and are especially interested in science. Hats off to our scientists of tomorrow!

Wranglers' Club

First Row—President, John M. Jones; Esther Ellen Brittingham, Betty Carlson, Joe Carey.
Second Row—Miss Stapp, adviser; Myron Hutner, Jack Blackman, Dick Houpt, Miss Sandeson, adviser.

The second oldest chapter in the history of Danville High School is the Wranglers' Club.

The officers of this interesting club consist of President, Vice-president, Literary Chairman, Program Chairman, Social Chairman, Membership Chairman, and Secretary-Treasurer.

Among the numerous activities of this important school chapter are the annual debates, held between the four classes, the Thanksgiving Assembly, the big spring picnic, and various activities in the Office of Civilian Defense.

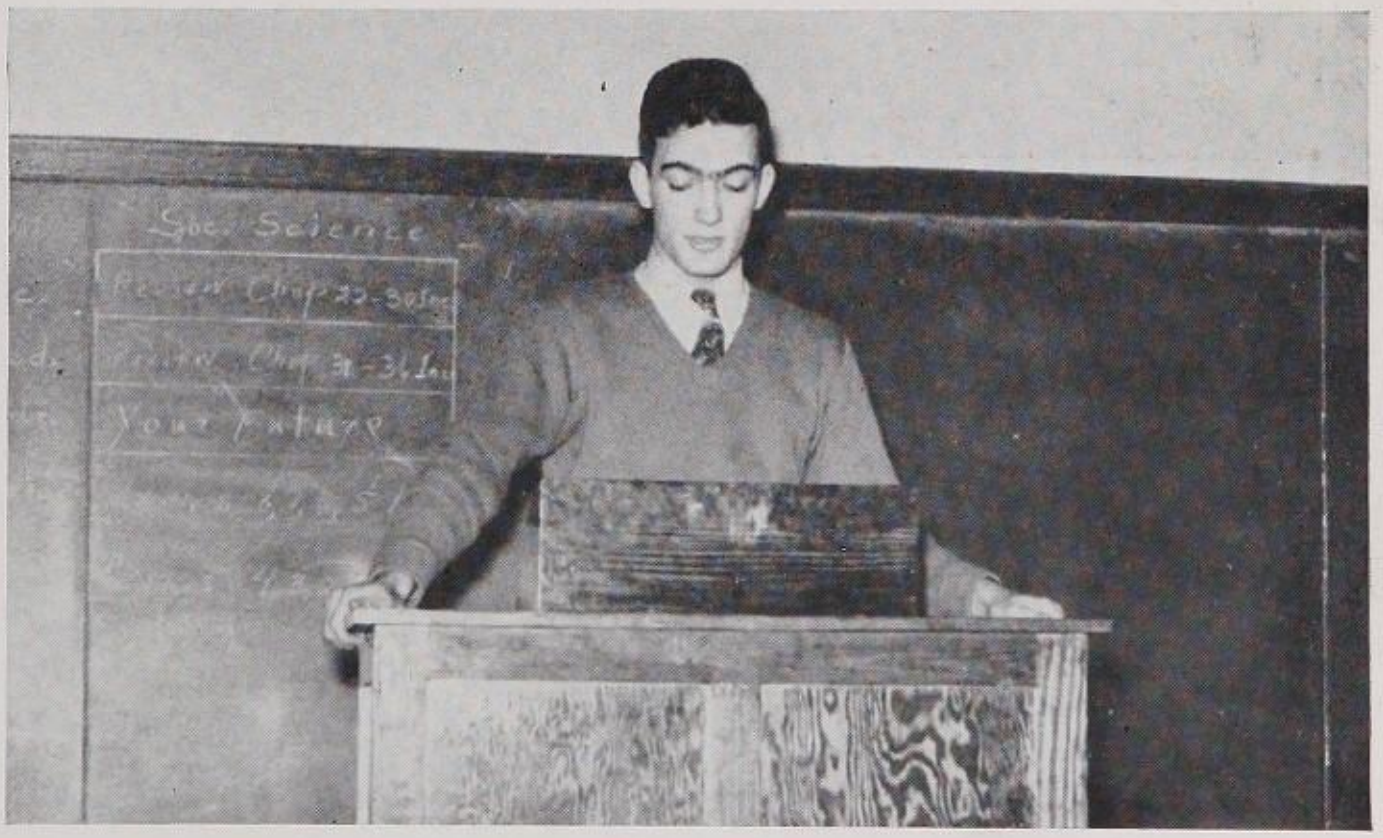
Two school teachers serve as the advisers for Wranglers' Club and help to guide the members on all occasions.

As mentioned before, the annual debates are one of the most important activities of the entire school. The topic to be discussed is chosen by the members of the debate teams and usually hinges on present-day events. During the course of a regular meeting, informal discussions are held between the members, thus giving many outlets for oratorical talents.

Interclass Debate

For the first time in years, the seniors failed to appear in the final debates. The Senior team, composed of John Eckert, John McCormack, and Dorothy Kelley, was defeated by three freshmen, John Kelly, Travis Ussery, and Shirley Barkley. In the other preliminary debate the juniors—John M. Jones, Dick Houpt, and Bob Baker—defeated the sophomores, Oliver Mann, Bob Warden, and Lloyd Dodd.

In the finals, the freshmen and juniors waged a heavy battle over the statement, "Resolved: the eighteen-year-olds should have the vote." The juniors took the affirmative and the freshmen took the negative. Evidently the juniors had more convincing points and put them across better, for they were presented the silver cup and every member of the team will have his name inscribed on it. The freshmen won the acclaim of the audience for the excellent work they did, and they should prove good debaters in the future.



JUNIOR REBUTTAL SPEAKER—BOB BAKER

MAROON AND WHITE STAFF ONE

Upon entering room 244, a large group of students can be observed busily engaged in producing our weekly newspaper, the "Maroon and White". Editorial, feature, news, and sports staffs are hurrying to meet their deadlines. Supervising the turmoil and offering plenty of helpful hints is Miss Eleanor Mielke, Maroon and White adviser. Under the able leadership of the co-editors of this year's paper, the weekly has been revised recently and now offers many new services and features. Soon, next fall, the paper will be published by this year's Staff 2, it will have to go some to beat the perfection of our Staff One.

MAROON AND WHITE STAFF TWO

Maroon and White Staff two, although consisting of the younger school journalists, has the responsibility of publishing half of the year's issues. Located in 312, they are well captained by Miss Katherine Stapp. This year, the staff has produced some really remarkable text, especially in the editorial line. Staff Two has done much to further our school motto, "Service". The members of Staff Two realize that next year, they will face the job of supplying the school with the latest of the late news and are getting a fine start by serving on this junior staff. It not only takes a lot of school time, but a lot of their own. Hats off to Staff Two!

EDITORS OF THE MAROON AND WHITE

This year for the first time in its history there have been co-editors of the Maroon and White Staff Number One. They were Joe Carey and Wayne Barkley, and both boys will guarantee that there was enough work for the two of them. As a matter of fact, they sometimes wished there was another fellow to help them out.

The editor of Staff Number Two was Dick Houpt, who was kept busy seeing that the paper for which he was responsible was issued correctly every other week.

To all three of these boys the entire student and faculty wish to say "Thanks" for work well done.

CUB REPORTERS

Perhaps you have often wondered where the members of the Maroon and White Staffs get the training which is so necessary for good journalists. Here is the answer. The group of students who make up the future members of the paper's staffs are known as the Cub Reporters.

In room 217, with their adviser, Miss Grace Swisher, the members learn all of the fundamentals of writing the news stories, as well as the principles involved in the make-up of a paper.

As a vacancy occurs on the two main staffs, a member from the Cub staff steps up to to fill it. This is the explanation for the promotion of many Cub Reporters to staff members.

HOME ROOM AGENTS

The group of students who play an important role in the successful distribution of the Maroon and White every Monday morning is known as Home Room Agents. These students see that all subscribers get each issue of the paper and also settle any difficulties which arise in their own roll-call.

A cash prize is given each year to the Home Room Agent who manages to secure the most subscribers to the paper. This year the winner for the large roll call was Bob MacDonald and for the small one Travis Ussery.

As a reward for their work during the year all Agents are invited to the annual Maroon and White picnic in the spring.

THE ADVISERS OF THE MAROON AND WHITE

The advisers of the Maroon and White Staffs are: Miss Eleanor Mielke, Staff No. 1; Miss Stapp, Staff No. 2; Miss Swisher, the Cub Staff.

In putting out the weekly issues of the Maroon and White, the help of these advisers is truly indispensable. Probably more than most people realize, and without half of the praise that they really deserve, these advisers donate a great deal of their own precious time to lead these future journalists of tomorrow. The service that these faculty members put forth provides one of the best outlets for closer student - teacher relationships, present in the entire high school.

ORGANIZATIONS STAFF

The organizations staff of the *Medley* offered the greatest opportunity for originality. This staff drew up the pages for athletics, organizations, and highlights in the school year. The committee members determined the size, arrangement, and composition of each picture. Then every picture that was to be taken was added to a list which scheduled the date of photographing. Persons were notified a day in advance, each being identified at the time when the picture was taken.

Like the school staff, the organizations staff sent all the pictures to the engravers and pasted in the printer's dummy.

Due to the lack of flash-bulbs the types of pictures possible to have were restricted; however, a variety of pictures was provided.

MEDLEY EDITORS

1943 had many "firsts" for the *Medley* Staff. It was the first year in the book's history that there were two editors. Dick Chapin, editor for the first semester, entered V-1 training, therefore being replaced by Betty Carlson. Consequently, a new assistant editor in charge of the school staff, Elizabeth Repasy, was appointed.

Leo Adams was also the first to fill the position of Copy Editor on the yearbook, for this was a new addition also.

Judy Guthrie was assistant editor in charge of organizations.

The assistant business manager, John Chambers, led the advertising campaign last fall and efficiently handled advertising for the *Medley*.

And to Rosemary Thiede, business manager, goes thanks for suggesting personalized books, also a "first" of 1943.

SCHOOL STAFF

Very detailed routine work is that of the school staff. Such duties of the group are drawing dummy pages for class, administration and faculty sections, checking with photographers to see what each studio can handle, posting notices telllng when and where pictures may be taken.

The members of the staff collected pictures from the studios and sent them to the engravers. When the photos were returned, they were put in the printer's dummy along with names of all the individuals. A few highlights in the careers of the seniors were secured from questionnaires and listed under the names. Alphabetizing names and checking and rechecking lists comprised the main portion of the school staff's work.

PHOTOGRAPHERS' AND ART STAFFS

The photographers' staff is under the direction of one of our more popular teachers here in school, Mr. Hogbin. The job of putting out all of the pictures of school life in the allotted time is quite an under-valued one, but the photographers' staff always comes through. Room 333 is their workshop and it usually has the strong odor of various chemicals. Thanks, photographers, you've done a swell job!

Under the supervision of Miss Sullenberger of the school faculty, another beloved one, the art staff furnishes the cards and posters that meet your eye as you walk the halls, urging all students to be sure and get a Medley. This talented group meets every 8th hour in the art room and works like little beavers on new ideas, and brainstorms of art. We're proud of you, art staff—thanks a lot!

MEDLEY ADVISERS

There are four advisers of the *Medley*. Each of them has a different job.

Mr. Hogbin serves as adviser of the Photographers' Staff. He helps in the taking and printing of all pictures which appear in the book.

Miss Sullenberger is the adviser for the Art Staff. She has a regular art period (the third hour) every day and has the responsibility of seeing that all art work is completed in the correct manner.

Mr. Espy helps the school staff of the yearbook gather all names of students and also sees that all pictures of the students are correctly classed and listed.

Miss Watkins has general supervision of the entire staff. She has roll call in her room, 246, and looks over the work of the organizations, business and advertising staffs.

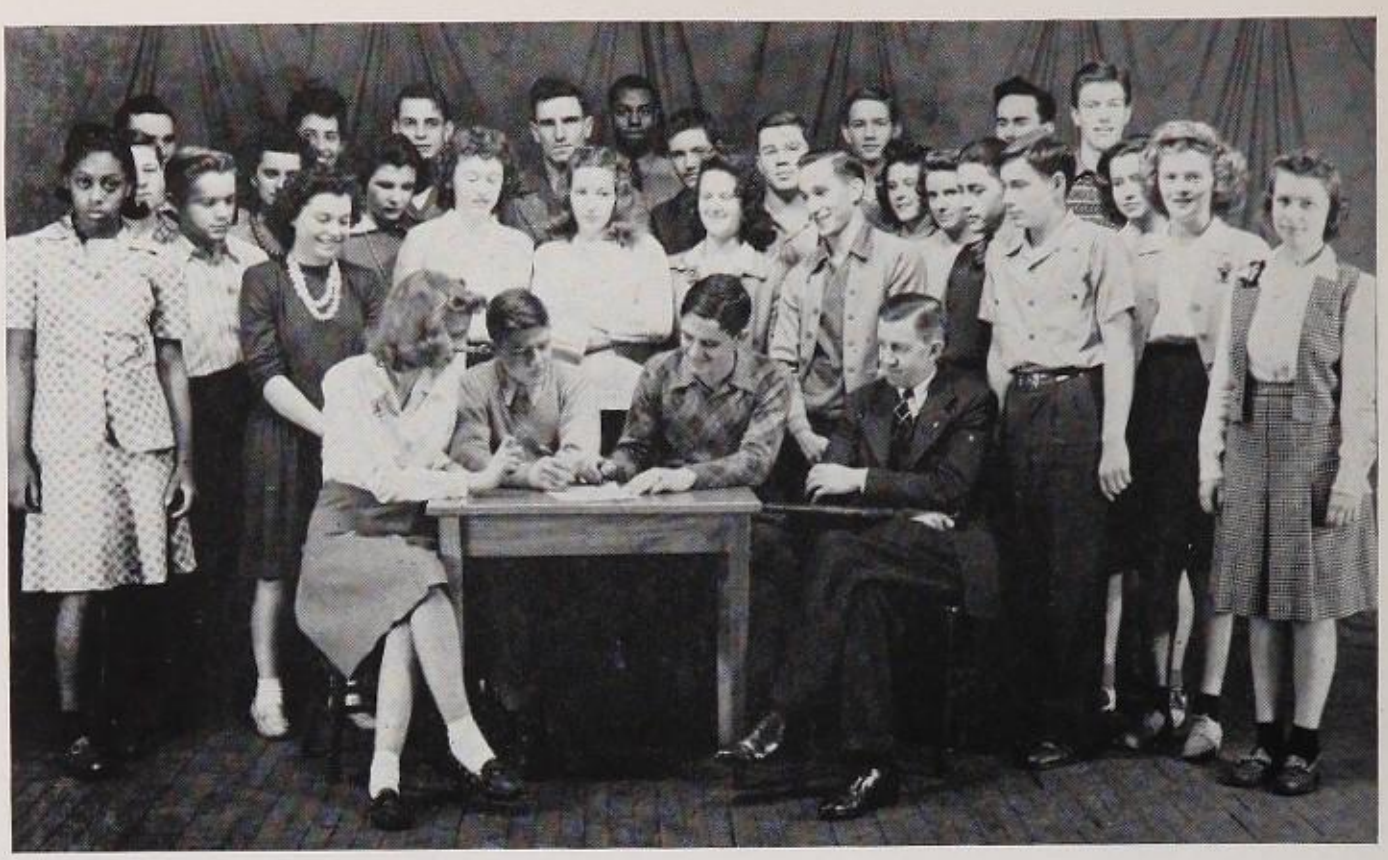
Left to Right—MR. HOGBIN, MISS WATKINS, MISS SULLENBERGER, MR. ESPY.

Left to Right—John Bettag, John Chambers, Lucille Ondercho, Rosemary Thiede, Helen Wright, Juanita Watt, Phil Parker.

BUSINESS STAFF

Promoting circulation and caring for records compose part of the duties of the Medley Business Staff. Also in charge of publicity and correspondence, it cares for the financial interests of the publication. The business staff is headed by the Business Manager and Advertising Manager, assisted by other members of the staff. The entire Medley staff goes out in search of advertising in the early fall and it is up to the business staff to do the collecting in the spring when the Medley goes to press. The business staff is one of the harder working staffs of the Medley and is advised by both Miss Watkins and Mr. Ralph Espy, of the D. H. S. faculty.

Student Council



Seated—C. Whitesell, P. Parker, D. Chapin, Mr. Duffin.
First Row—L. Cottrell, M. Kinney, P. Watts, W. Killough, B. Steely, J. Koebrich, J. Rife, W. Barkley, R. Alberts.
Second Row—J. Jones, J. Watt, E. Zander, W. Mauck, B. Shouse, J. Payne, B. Carlson, N. Clapp, M. Luke, M. Herman, B. Helmers.
Third Row—H. Cox, N. Noble, D. Aston, J. Tuck, D. Houpt, J. Carey, D. Van Dyke.

The legislative and guiding body of our school life is the Student Council. The members of the council are made up of all the class presidents, all of the school club and organization presidents, the athletic captains, and the class members who have been elected by their fellow students to serve in the council.

The Student Council is headed by a president, aided by a vice-president and a secretary. These persons are elected on the day of the first meeting of the year. Acting as adviser to the council is the principal of the school, Mr. R. M. Duffin.

Some of the duties of the council are as follows: (1) to select the paid assembly programs, (2) to support all worthwhile moves for the school's good, and (3) to act as the school's voice.

Student Council meetings are held the first Tuesday of every month, and special meetings are held if such are necessary. Truly, the Student Council is the most important governing voice in the school.

Red Cross

First Row—C. Culp, N. Clapp, R. Dupriest, Miss Dague.
Second Row—E. Olmsted, Miss Miller, D. Martin, L. Dodd.

A particular organization at Danville High School which helps the war effort is the Red Cross. The motto, "No task too small," is certainly well chosen.

At the beginning of the year the club members strung buttons of all kinds for the soldiers.

Then at Christmas time the first issue of the *Red Cross Newsletter* was sent to the servicemen throughout the entire world. There were many letters of thanks received from the boys, and the club felt that the time spent in getting addresses from the families and friends, and the collection of money from the high school students was certainly worth while.

Every other Friday the meetings of the organization were held in the presence of the advisers, Miss Betty Miller and Miss Dague. At these meetings little things which helped the Red Cross were done—things like sending out thank-you notes and letters for Red Cross members. This is truly a patriotic and victory-minded group. Thanks and appreciation are in store for it.

Home Economics Club

Standing—N. Southard, Miss Parker, Miss Petter, Miss Miller.
Seated—N. Smith, B. Hartshorn, J. Parrett, F. Stubbs.

Another very important chapter in D. H. S. life is the Home Economics Club. Organized in 1929, for the girls interested in sewing, cooking and homemaking, the club has steadily climbed to the top of the ladder. Talking to several girls outside of school who have participated in the club's activities, we find that in numerous ways, their experience in the Home Economics Club has given them several helpful hints in home-making and housekeeping.

Meetings are held but once a month and are highlighted by an occasional visit from a speaker outside of school. The girls who attend the regular meetings will all agree that coming to the meetings and learning the other girls' ideas and points helps them to form new friends, and new interests in their friends.

Advisers of the club are Miss Potter and Miss Parker, both of the Home Economics department, who devote much of their time to prepare our women of tomorrow.

Girl Reserves

Girl Reserves is an organization sponsored by the Y. W. C. A. for the spiritual and social guidance of young girls. Meetings are held every second and third Wednsedays at the Y. W. These meetings are both clever and entertaining. Besides the regular meetings, a very inspiring and beautiful recognition program for girls who wish to belong to Girl Reserves is held at the beginning of each school year.

Along with helping the girls that are in the club, the members also do charity work.

Standing, left to right—Miss Collins, K. Pleune, J. Blosse, L. Nelson, D. Kelley, E. Olmsted, W. Killough, Miss Taylor, J. Doney, B. Easterday, C. Whitesell, B. Hughes, Miss Thompson, J. Guthrie.
Seated—M. Miethe, B. Steely.

One of the bigger features of this year's activities was the cleaning up of the high school lawn. Our maintenance department is being so heavily depended on as it is that the Girl Reserves decided to do their bit to help them out. It was really surprising to notice the enthusiasm with which the club members turned out to pretty up our school lawns. After the cleaning-up exercises, their efforts were rewarded with a picnic on the school lawn.

Hats off to the Girl Reserves, a fine offering of womanhood to tomorrow's world!

Senior Band

The Danville High School Band is composed of sixty musicians and meets every day in room G-201 the eighth hour.

A Cappella Choir

First Row—Miss Wolff, P. Kramer, A. Sparcino, C. Bunting, P. Davis, E. Prast, C. Culp, B. Harrington, B. Helmers, M. Hole, G. Kelley, E. Gross, M. Lindsay, A. Houston, K. Hazel, E. Tuttle, W. Campbell, L. Martin, Miss Legg.
Second Row—J. Uht, S. Humphrey, M. Suycott, M. Herman, B. Nelson, M. Thornton, N. Clapp, J. Smith, B. Stevens, G. Hart, N. Krainock, N. Clem, V. Snyder, N. Noble, M. Carson, H. Cline, B. Carter, D. Jones, V. Johnson, B. Gravis, J. Taylor, M. Buckner, L. Dupree.
Third Row—M. Hyde, D. Martin, J. Miller, T. Moore, J. Robbins, D. Poisall, R. Swem, L. Davis, H. Cohen, P. Roberts, W. Weil, J. Kilgore, W. St. John, B. Deardorff, L. Dodd, C. Pickett, B. Jinkins, C. Evans, D. Van Dyke.

All of the advanced music students in the vocal department meet every morning in what is known as the A Cappella Choir. Any first hour you can hear the choir hard at work for their part in an assembly, a concert or perhaps Moments Musical.

This is one of the most popular and well-known groups in the school. Serving as its director is Miss Pansy Legg and Miss Helen Wolff as the accompanist.

Each year this group presents an annual Christmas assembly. It is one of the programs with which students are helped into the Christmas spirit. With beautiful scenery a very natural feeling is spread as the entire group sings the holiday songs.

Perhaps the most important duty of the A Cappella is executed in the annual production of *Moment Musical*, for at this time one of the units of the show is sponsored by this body. And each year a four-star performance is given.

The students of the high school look forward to the work of the A Cappella Choir with a great deal of anxiety, and it's on their behalf that we say "Keep 'em singing!"

Euterpean Singers

First Row—B. Helmers, K. Bunting, B. Nelson, M. Suycott, N. Clem, M. Hole, B. Herrington, V. Snyder, L. Martin, N. Noble, B. Stevens, M. Herman, P. Kramer, A. Sparcino.
Back Row—J. Robinson, T. Moore, M. Hyde, R. Jinkins, R. Swem, D. Poisall, W. Weil, C. Pickett, L. Davis, P. Roberts, W. St. John, J. Uht, D. Van Dyke, C. Evans, J. Miller.

The Euterpean Singers is a group of singers selected from the A Cappella Choir for special presentations throughout the year. This year the total number in this group was thirty.

Members of this organized group must have the extra time necessary for practices, because it is impossible for them to use the time of the A Cappella Choir.

In March of the school year the Euterpeans are responsible for one of the three units of *Moments Musical*. In the production for this year they entitled their part "The Land of Romance". The scene was set in an old-fashioned garden and several colorful dances were staged by the chorus. Numerous solos were offered by members of the group.

It is considered quite an honor to become a Euterpean Singer, and it is a goal for which all music students in the vocal department strive.

Art Club

First Row—Virginia Holl, Eloise McNamee, Beverly Silverman.
Back Row—Miss Sullenberger, Ted Smith.

One of the most colorful organizations in our book of school life is the Art Club. The Art Club, although one of the smaller clubs of the school, is a fine example of the work-together spirit. This club is open to any person interested in art, even though they may not be enrolled in an art class. The club is advised by our art teacher, Miss Sullenberger, who helps the president, vice-president, secretary-treasurer, and social chairman run the club. Among the activities of the club are sketching hikes, picnics, and parties. Also, many members of the club are on either the Medley Staff or the Maroon and White, and do all their art work. The members co-operate in doing work that is worthwhile, as well as committee work for social events. Many former members of this organizaton have gone into industry carrying on the work that they cultivated while in the ranks of the high school. For any person who has any interest in art at all, and enjoys drawing, painting, etc., we heartily recommend the D. H. S. Art Club.

Photographers Club

Front Row—L. O'Brien, H. Maillet, E. Woodrum.
Back Row—H. Kinney, B. Stevens.

The club of Danville High School which is interested in how to take pictures, develop them, and print them is the Photographers' Club.

For its actual work the club furnishes operators for the showing of educational pictures in the auditorium, and six of its members, usually juniors and seniors, serve on the Medley staff, taking and finishing most of the pictures for the yearbook.

At practcially any time you could find these boys, who are on that staff, wandering around the halls in search of a good angle from which to "shoot" a picture. Or if you saw a head pop up and a sudden flash in the auditorium during an assembly, you would know that they were fast at work.

This is one of the organizations of D. H. S. which is not so widely publicized, but proves itself to be one of the most important groups in the school.

D. H. S. Student Radio Broadcasting

First Row—P. Kramer, D. Zimmerman, J. North, J. Eckert, J. Carey, L. Adams, W. St. John, A. Schroeder, S. Humphrey, J. Bishop.
Second Row—Mr. Purkey, L. Woodbeck, B. Helmers, B. Meade, N. Noble, V. Davies, A. Wolff, M. Suycott, K. Hazel, W. Campbell, W. Barkley, L. Nelson.
Third Row—M. Herman, P. Lauten, D. Kelley, M. Hutner, G. Sullivan, D. Houpt, B. Shepard, F. Williams.

Student radio broadcasting was again in full swing for the current year of 1942-1943. The activity was under the direction of Mr. R. D. Purkey, under whose guidance the diversion has grown to be one of the most outstanding of all extra-curricular functions.

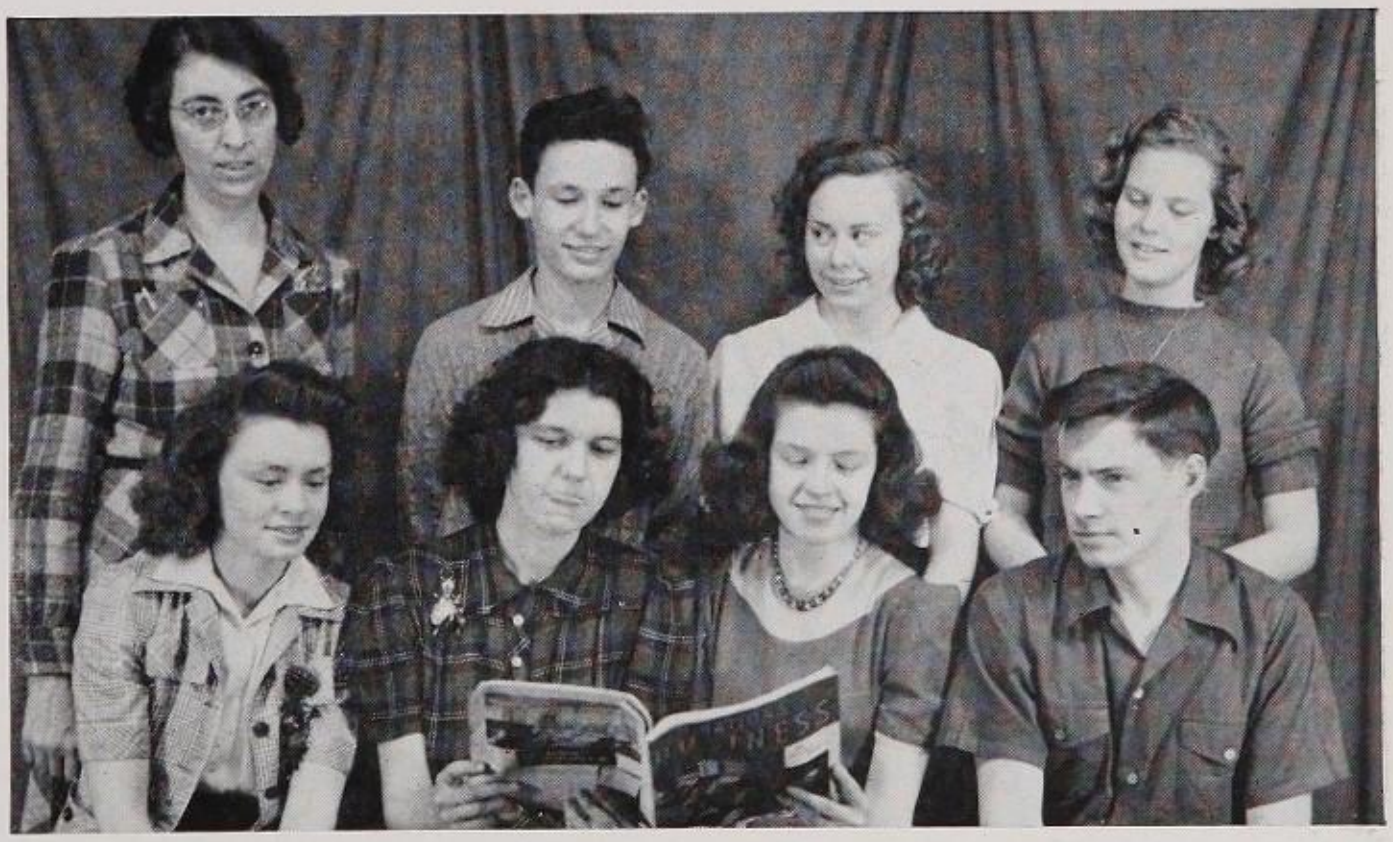
With a regular student staff-membership of over fifty, which is represented in various roles of announcers, newscasters, secretarial-typists, publicity, sound effects, and special feature groups, the WDAN air-lanes brought "Inside Danville High School" to listeners throughout Danvilleland on Fridays from 4:05 to 4:30 P. M. The programs originated direct from the auditorium stage here at our school.

Among the many features presented were the programs of the various organizations around school, interviews, the "Maroon and White of the air", and previews of unusual student attractions and events throughout the year.

Thanks and credit should be given to every member of the Danville High School Radio Broadcasting Staff for a variety of entertaining programs presented for the benefit of Danvilleland's population.

Worth While Writers

One of the most distinct organizations in our entire school is the Worth While Writers' Club. While the size of this club does not swell with as many members as other school clubs, it provides an outlet for the writing abilities of those students that have them. The club has the following offices to be filled with its members: President, vice-president, secretary, treasurer, and last, but not least, the critic.



Front Row—E. Alberts, B. Kennedy, A. R. Dailey, R. Albert, *president*.
Back Row—Miss Boyer, L. Dodd, M. Hanna, M. Bailey.

Among the activities of this club was the aim to arrive at a point where it could present a booklet of writings called "Dips o' Ink" to the school. In addition to this, the club has established a book bond, lending books to members who have contributed to the collection. Every spring, the club has its annual outing near the end of the spring semester, and it also observes a few holidays with special meetings. With the help of the club's adviser, three out of four writers of the senior class song words, is a member of the Worth While Writers' Club. The club's adviser is Miss Boyer, of the English department.

Phyllis Wheatley

First Row—G. Moore, M. Edwards, L. Cottrell, *president;* W. Lillard, M. Robinson.
Second Row—Miss Glindmeier, S. Hammonds, S. Lewis, J. Fletcher, Miss Hofmann.

The Phyllis Wheatley Club is an organization sponsored by the Y. W. C. A., and carries the aims and ideals of the Girl Reserves.

Among the activities of this club are meetings at which outside speakers, book reviews, movies, a radio program, parties, picnics, round table discussion groups and a joint Christmas dance with the Triple A boys. Their meetings are the second and fourth Wednesdays of each month.

The present officers are: President, Luvene Cottrell; Vice-President, Margaret Edwards; Secretary, Wanda Lillard; Treasurer, Bernice Robinson, and Social Chairman, Marie Robinson. The Phyllis Wheatley Club endeavors to help each girl to grow through normal, natural activities into those habits, insights and ideals which will make her a responsible eager woman capable and ready to put into practice in her own community the standards of Christian living. The advisers of this fine organization are Miss Glindmeier and Miss Hofmann, both of the faculty.

Standing, left to right—George Fletcher, Leroy McNair, Bernard Morris.
Seated—James Tuck, *president. Absent*—Tommy Harrison, Bill Brown, Mr. Hogbin, adviser.

Triple A

This year, the Triple A enjoyed its second year of successful activities. The adviser was changed from Mr. Read, who went into the Army, to Mr. Hogbin; together with this year's president, he has formed a very popular club devoted solely to the character building and enjoyment of the colored boys of Danville High School. One of the big events of the year is when the Triple A and the Phyllis Wheatley Club get together for their annual Christmas dance.

Senior Hi-Y

Left to Right—D. Houpt, J. Rife, B. Baker, J. Payne, *president;* B. Shepard, L. Adams.

The Hi-Y is a national organization of boys affiliated with the Y. M. C. A.

"Its purpose is to create, maintain, and extend throughout the school and community high standards of Christian character."

The Hi-Y is composed of two divisions. The main division in the Senior Hi-Y. Its meetings are held on every Wednesday of the month at the Y. M. C. A. The program consists chiefly of prominent speakers and panel discussions. Some of the prominent speakers of the past year have been Dr. A. J. Brace, Don Schoolcraft, Clint Sandusky, O. D. Mann, Staff Sergeant Clarence Stine, and Reverend L. A. Tucker. The topics for the panel discussions are selected at the annual state conferences.

The whole organization, under the able leadership of Mr. Lester Bandy, their newly-elected adviser, and Mr. W. H. Debenham, working with the Hi-Y as the general secretary of the Y. M. C. A., looks forward to a bright future and greater accomplishments.

Junior Hi-Y

The other division of this erstwhile organization is the Junior Hi-Y. Its meetings are held on every Thursday of the month, with its program like that of its elder brother.

Recently, competition in athletics has been instilled between the two divisions, which promises to be of great success in the coming years. This idea originated in the mind of Dick Poisall, former president of the Junior Hi-Y.

This year Mr. Russell Mingee has continued as adviser and in cooperation with Mr. Debenham will continue to spur them on to better works. All in all, both groups of boys have done and will do everything in their power to promote worthwhile projects and to promote high standards of Christian living throughout the school and community.

Left to Right—Mr. Mingee, H. Judy, D. Poisall, R. Morris, B. Kessler, Mr. Debenham.

Honor Society

First Row—V. Dodd, E. McKeown, J. Holmes, C. Vandermeulen, J. Depke, E. Gallanis, P. Overton, J. Elliott, V. Irvine, F. Beck.
Second Row—G. Smith, H. Bucholtz, B. Dickson, Z. Domgall, J. Robinson, B. Garner, I. Toby, S. Smith, M. Karlstrom, B. Finet.
Third Row—H. McLain, D. Hanson, J. Selby, B. Bever, R. Gregg, B. Read.
Fourth Row—B. Hyde, B. Kinney, B. Nassor, A. Eckert, J. Berkowitz, D. Skadden, F. Millikin.

Without a bit of a doubt in our minds, we sincerely believe that the highest honor that could be bestowed on a graduating senior would be his earning a place in the coveted Honor Society.

The Honor Society at D. H. S. is a local group, founded in 1940. To be a member of this honored organization, a student must maintain at least a 90 average for his or her complete four years. The Honor Society serves as an incentive for students through their high school careers, and is a goal that truly brings out the will and perseverance in a person who has the ability to reach it.

New members of this society are proclaimed and lauded during the late spring when all of the final programs, concerning mostly seniors, are being held.

This year, the graduating class has been extraordinarily brilliant during its brief four years, and has swelled the ranks of the Honor Society considerably.

It will be interesting to watch these people of the Honor Society go out into life outside of high school. We are sure that they will all make us proud of them.

Thespian

First Row—E. McKeown, J. Holmes, V. Dodd, E. Farmer, M. Karlstrom, F. Beck.
Second Row—J. Selby, D. Hanson, B. Kinney, H. McLain, B. Bever. *Absent*—E. Koebrich.

Just the same as the Mathematics Department has its honor society for the students outstanding in mathematics, the Quill and Scroll is the honor society for the students outstanding in journalism. Thespian is the national honor society for all of the students outstanding in dramatics. In addition to being talented artists, they are high ranking scholastically.

In order to be selected for this society, it is necessary for each new member to be in the upper third of his class scholastically and also to have participated in a major production of the D. H. S. Players.

Each year the outstanding dramatist, the one appearing in the most plays during his high school career and doing the greatest amount of work in the dramatic line, has additional honor heaped upon him by being recognized as the "Star Thespian" of the year.

It is considered quite an honor to be chosen as a member of the Thespian Society, and it is a goal which all dramatists strive to reach.

Quill and Scroll

First Row—E. McKeown, J. Holmes, J. Elliott, M. Karlstrom, J. Depke, W. Preston, V. Irvine.
Second Row—S. Mires, G. Smith, P. Garringer, B. Gilbreath, P. Overton, B. Dixon.
Third Row—B. Kinney, H. McLain, B. Bever, B. Read, B. Liggett.

The aim of all the young journalists of Danville High School is to be elected to the International Honor Society for High School Journalists.

The appointees must not only be active in the field of journalism, but they must maintain a scholastic average that will place them in the upper one-third of the class.

Membership in Quill and Scroll is divided into three classes. They are as follows: faculty, honorary, and active.

Faculty advisers automatically become members when the school gets its charter; young journalists may receive an honorary membership if they are of local or national fame, and active membership is conferred upon students.

The two journalistic activities here at Danville High School are the *Medley* and the *Maroon and White*. From these, the members of the Quill and Scroll Honor Society are chosen.

Mathematics Awards

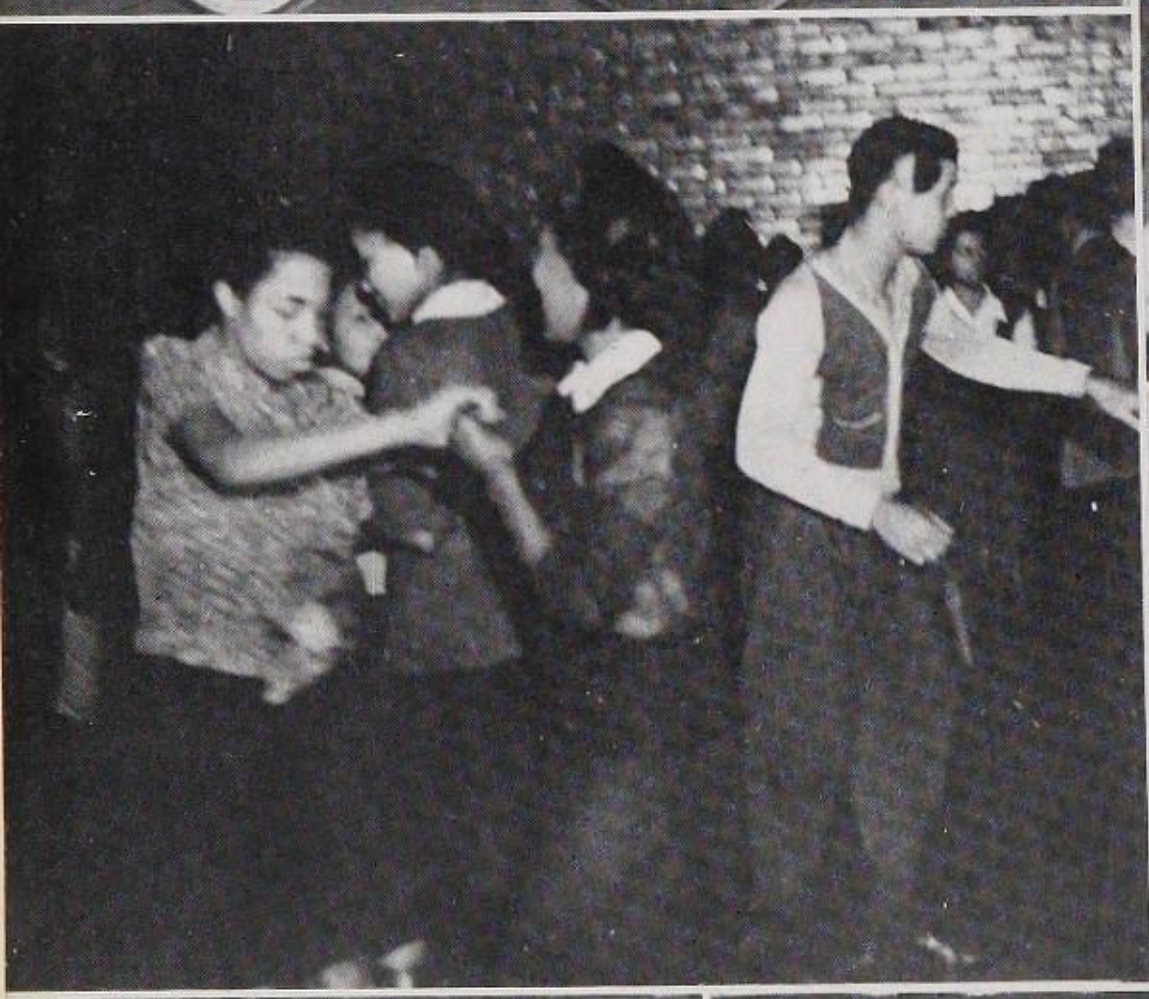
One day in a mathematics departmental meeting, our erstwhile teachers of math decided that as there were no awards given to students outstanding in mathematics something should be done about it. So the idea was conceived from the college mortar board, to have a plaque. On this the names of all honor students would be inscribed. This plaque would then be placed in the north hall, where all students would have an opportunity to see it.

At the present time, there are plaques in this hall for every year since 1940.

To have his or her name placed on the plaque, the student must attain an average of ninety or above for at least three years of high school math.

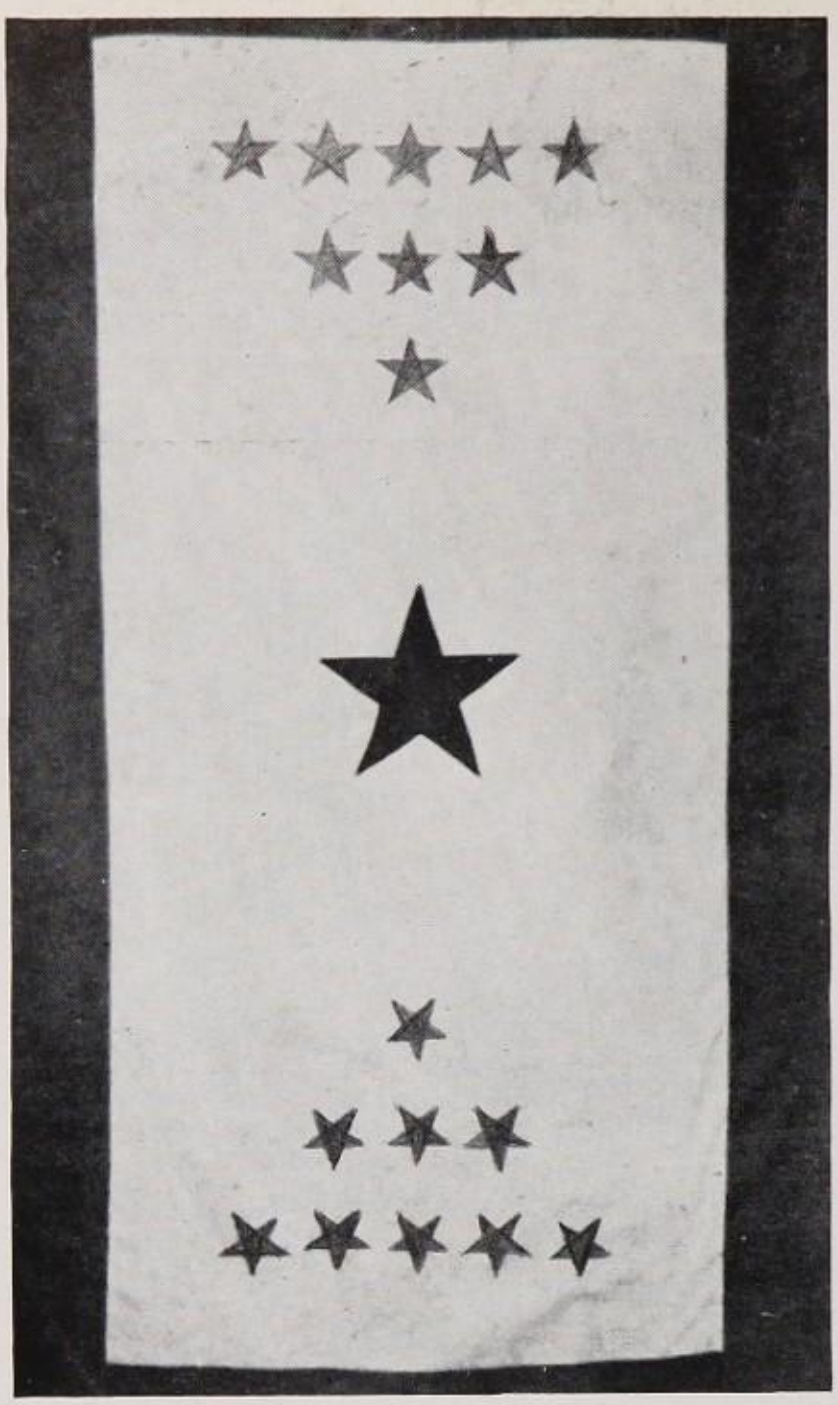
First Row—D. Hanson, E. Gallanis, J. Holmes, J. Depke, D. Skadden, W. Read.
Back Row—H. McLain, W. Nassar, A. Eckert, B. Bever, F. Millikin.

Besides having his name posted permanently, each of the honor students also receives a certificate of merit which acknowledges the accomplishments of the honor students. A special assembly, reserved for those students enrolled in math, is held in the late spring, at which time the awards are made and the students are lauded and applauded.



Our Part in the War

Service Flag



At one of the loveliest assemblies ever presented at Danville High School, this huge service flag was presented to the school. The large blue star in the center represents all the D. H. S. boys in service. Each gold star represents the life of a D. H. S. boy given for his country.

Since the photographing of this picture, another gold star has been added, making a total of nineteen stars.

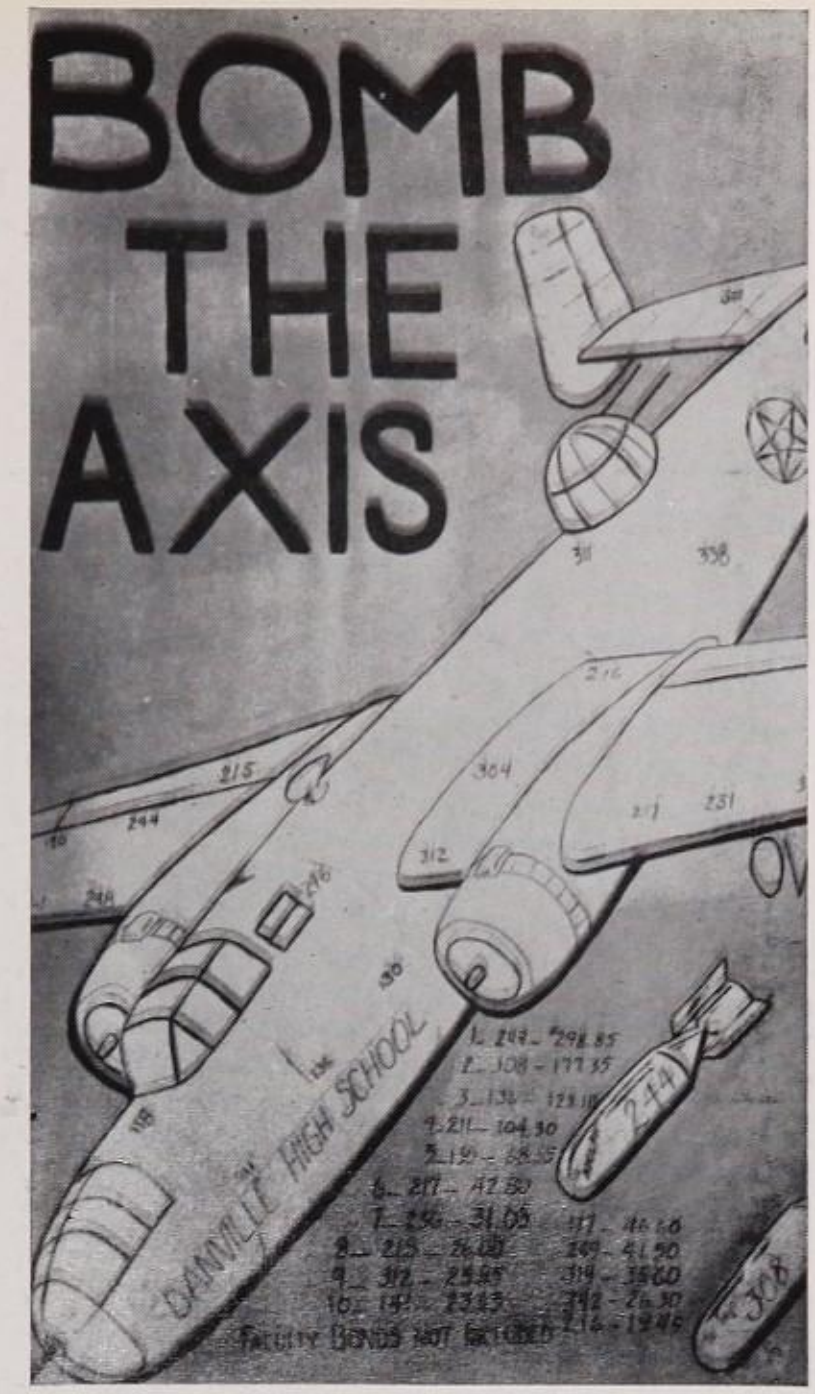
War Savings Drive



The Bomber shown above was our chart of progress of the various homerooms in the war savings bond drive. Sponsored by the *Maroon and White*, the drive was held in January. Booths were set up in the north hall and in the gym corridors.

The drive was certainly considered a success. Though our concentrated effort ended with that week, most of us have continued to buy stamps throughout the year.

Aeronautics

Another of the new things in Danville High School this year was the Aeronautics class. The students who enrolled learned the fundamentals of flying, the theory of flying (aerodynamics), something of meteorology, and avigation, as well as the rules and regulations governing flight.

The instructor of the classes, Mr. Martin Zeiter, has done an excellent job and is certainly to be congratulated. He managed to get the students to really study, at the same time enjoying their work.

Many of the students are looking forward to a career of aviation based on what they have learned this past year in aeronautics. Good luck to them. Happy Landing!

Physical Education 5

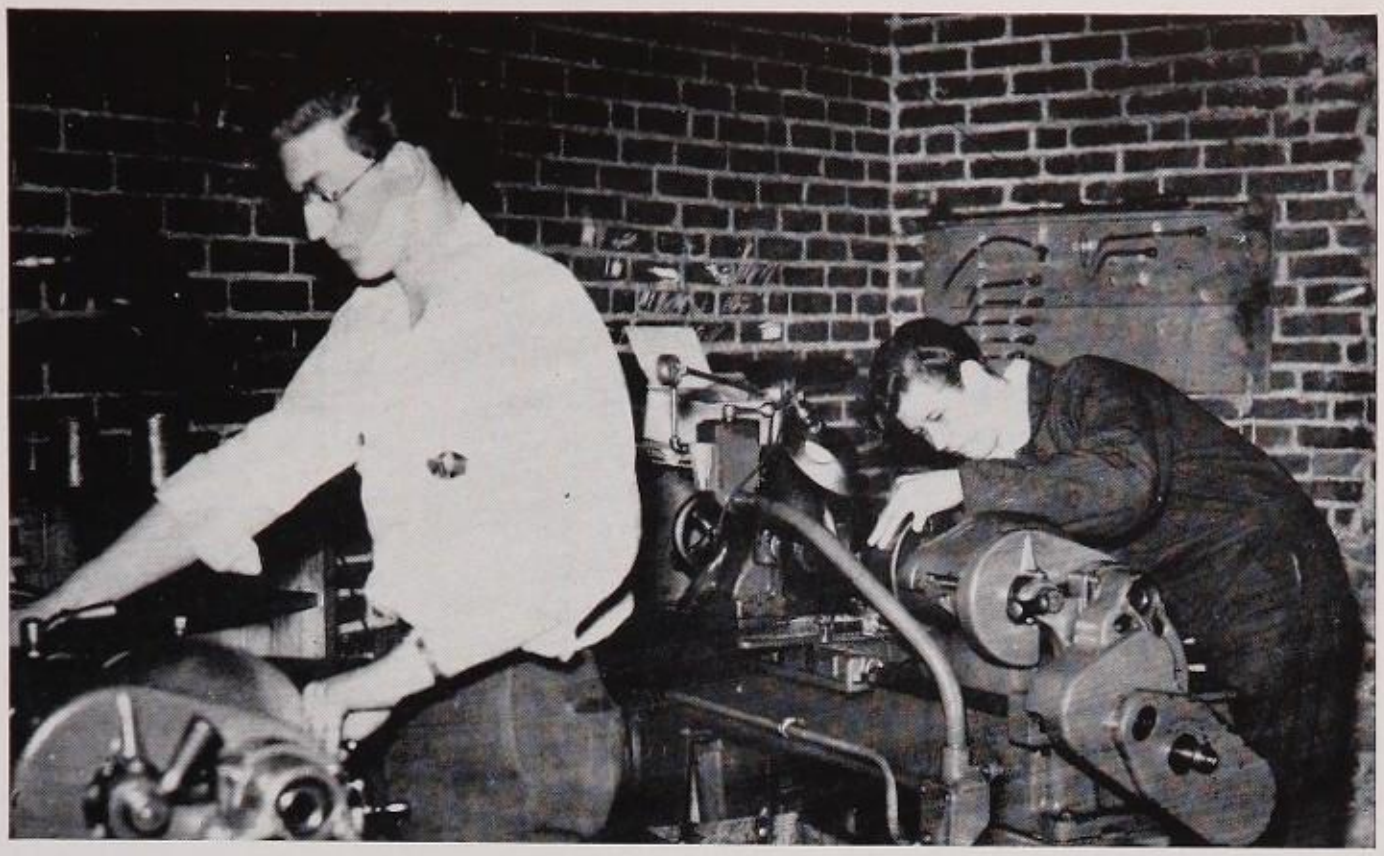
This year our school achieved another first.

By this we mean that D. H. S. was the first Illinois high school outside of Chicago to introduce a body-building and commando training course. P. E. 5, one of the highlights of the school, had over sixty-five boys participating every school day in the exercises and training of the group under the leadership of Coach Lester Bandy. The course was elective and open to Junior and Senior boys.

The instruction was especially prepared to give support to the all-out war program, both in industry and the armed forces.

During the first week, the groans were terrible as unused muscles were put into play, but later the boys hardened to the exercises and were in condition to follow the instructions.

The class met indoors where they worked on ranger drills, and they also met outdoors on the field, track, and obstacle course which was set up by the maintenance department for the P. E. Classes.



Vocational Machine Shop

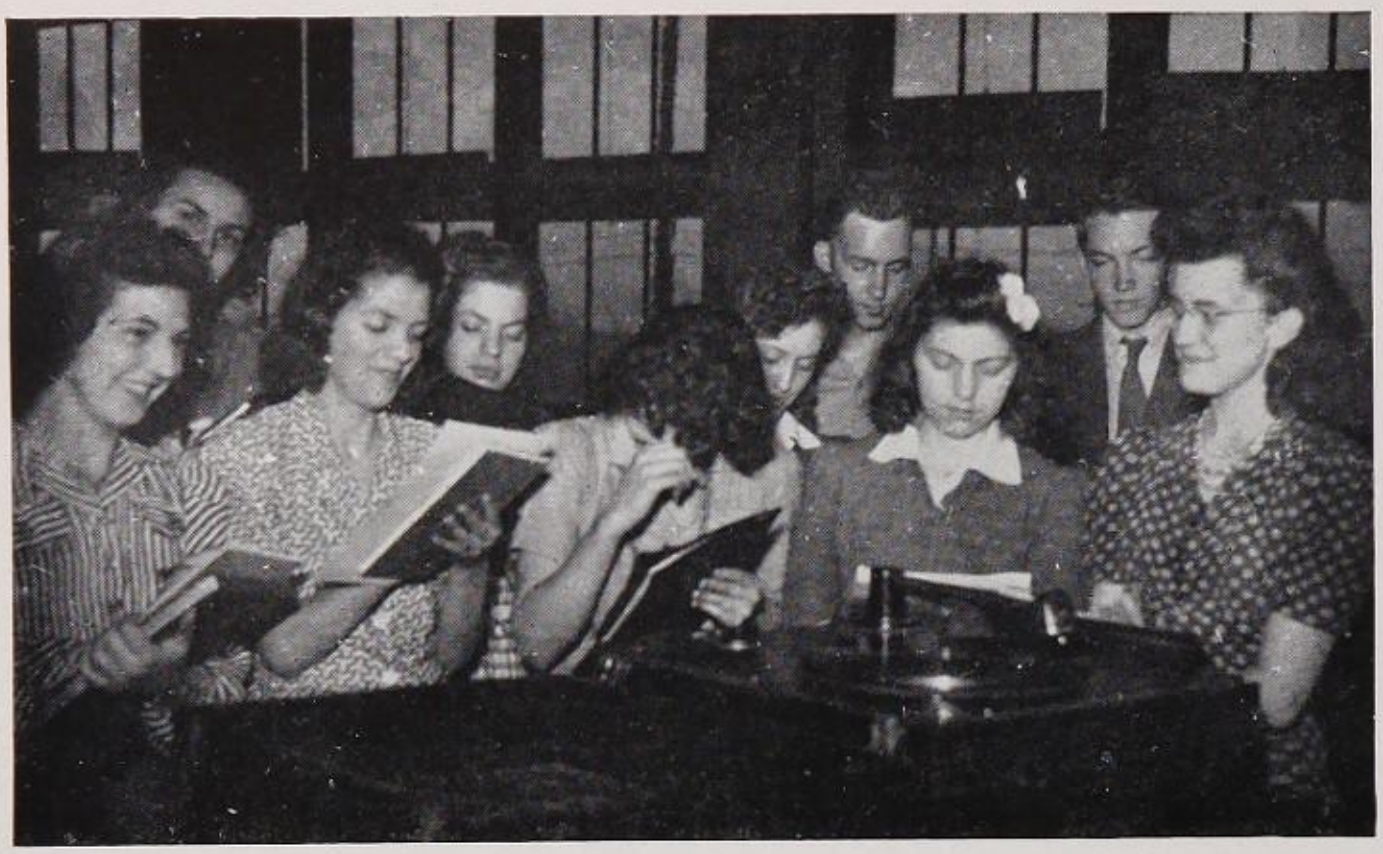
This year the student classes in training for the operation of machines met from 7 to 10 o'clock the first semester and from 2 to 5 o'clock the second semester.

Enrolled in these classes were students who had had courses in shop. They will now be better educated in the operation of machine and can help in the war effort that way.

Farm Class

Another thing that Danville High School did this year was to form a farm class in order to allow students to make themselves more capable of working on the farms throughout the country. The boys and girls saw the opportunity to help toward victory by enrolling in this class, and they are to be congratulated on the speed with which they learned.

Code Class



If you were to be around the school and here dit - dit - dah you wouldn't be hearing Timbuktu talk; you would probably be hearing the students of code class. Every Tuesday, Thursday, and Friday after school these students gave twenty minutes of their time to learning to take the International Morse Code.

Miss Lina Moulton supervised the classes, although the instructions are given from records.

Through the training that they received in the Code Class, these patriotic students hope to be better equipped to participate in the nation's war effort.

All of the students who enrolled in this class should be congratulated on taking part in such a movement. Danville High is proud of you.

Newsletters

The Red Cross of Danville High School issued two Newsletters to the servicemen during the course of the school year. One of these was sent out at Christmas time and entitled "Christmas Greetings." The second was a *Maroon and White* Servicemen's issue on which the Red Cross members collaborated.

A collection was taken from the students, and from this the postage of the letters was taken care of.

Many letters of thanks were received from the boys, and a closer relationship was established with the alumni of D. H. S. as a result of these letters.

HIGHLIGHTS

"Moments Musical"

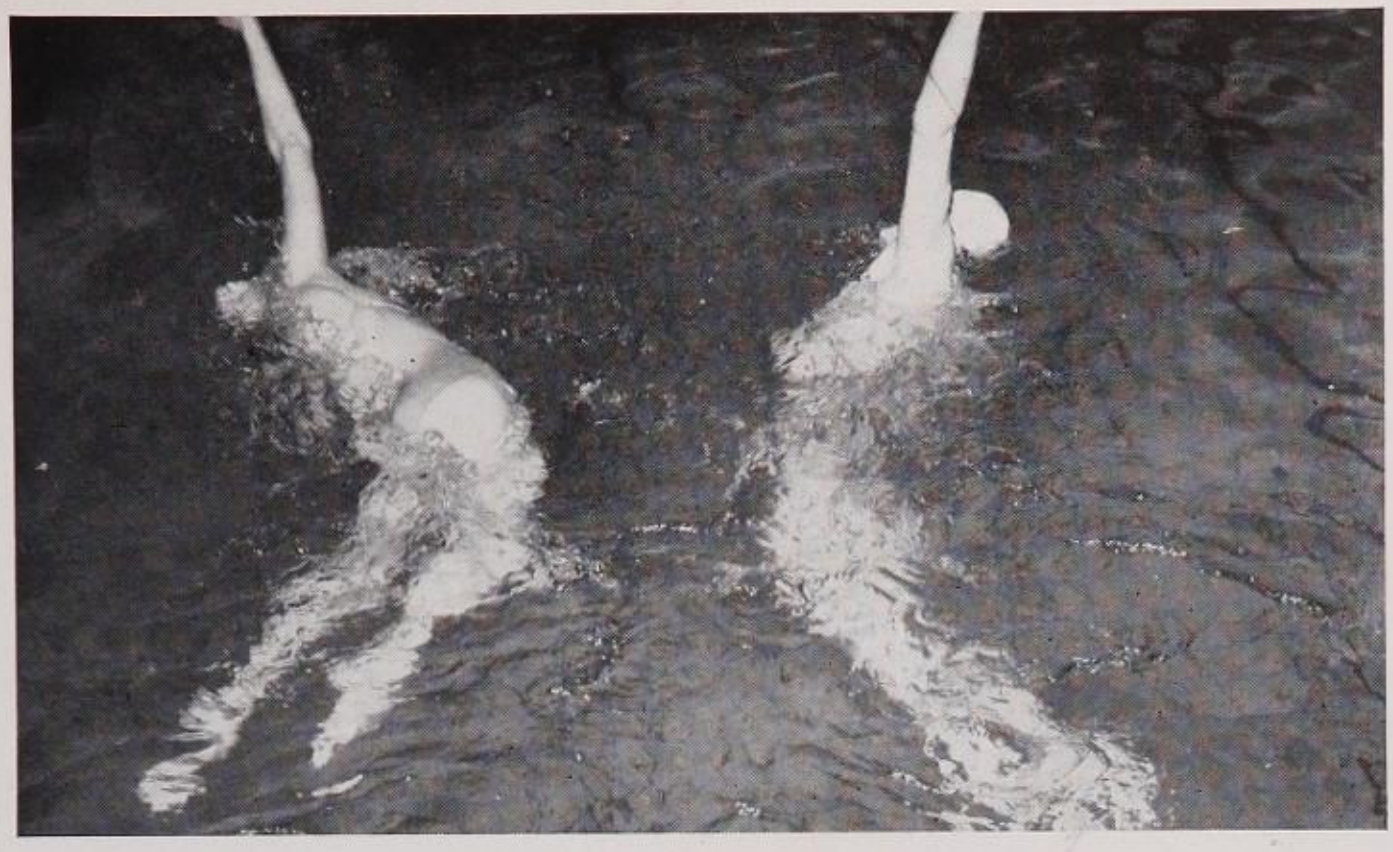
The annual production of the music department ran true to form once again this year. Entertainment extraordinary!!

Part One of the program was entitled "Land of Romance," the featured soloists being Myrtle Suycott, Betty Helmers, Angeline Sparcino, Clarence Evans, and the trio, Nancy Noble, Mary Hole and Betty Helmers. Dancers were Shirley Mauck and Peggy Kramer.

Part Two was called "Circus Days" and was presented by the D. H. S. Senior Band. The baton twirlers, Betty Burcham, Shirley Pate, and Dolores Van Sant, and dancers, Peggy Kramer, Valerie Castellow and Shirley Mauck, displayed their talents. Harvey Shields acted as Marceline the Clown.

Part Three, "Furlough in 1917," featured Sam Humphrey, Marilyn Herman, Jack Miller, Kathryn Prast, Dick Van Dyke, and Billie Carter as soloists.

Thank you, Music Department, for excellent entertainment.



Water Carnival

The Water Carnival was given on April 9 with huge success by the combined efforts of the D. H. S. swimming team and the girls' swimming classes.

The theme this year was a trip to Hawaii by a group of luxury-loving Americans, during which the Japs attacked Pearl Harbor on December 7th, the day of infamy. The Americans were then forced to return to their homeland.

During the Carnival, the D. H. S. Swing Band played such numbers as "Hawaiian War Chant" and the Winters twins played popular Hawaiian duets. The trio composed of Nancy Noble, Mary Lou Hole, and Betty Lou Helmers also sang several selections.

The many realistic scenes such as the bombing of Pearl Harbor, the trip to and from Hawaii, and the carefree life of the natives were presented to the audience in a spectacular way.

To the directors, Mr. Burow, Miss White, and Miss Hardenbrook, much credit and appreciation should be given for the long hours and hard work which they put into this production.

"Lease On Liberty"

This year the annual Dramatic Club Play was "Lease on Liberty".

The plot of the play revolved around "Grammy" Penfield—the rich, militant, and indomitable grandmother who was seventy-eight and proud of it.

Her son-in-law, Matthew Powell, Sr., however, who, with his large family, lived in the Penfield home, was instigator of a peace bloc the summer of 1941—the time of the play—his aim being to bring the nations to the conference table to settle their differences. "Grammy" saw him, along with his son, Matt, Jr., being made the dupe of radicals and fifth columnists in their potent peace propaganda.

How Grammy's family was made to see these motives in their true light, through the courage and common sense of her attractive companion, twenty-one-year-old Fay Fatimer, and a young foreigner named Mischa, who at last found Utopia, was revealed in one of the most charming and stirring scenes ever presented.

The play was presented in recognition of National Drama Week, and played to one of the largest and most pleased audiences in the history of the D. H. S. Players.

"And Came the Spring"

The play which the Senior Class presented this year was "And Came the Spring." It was the brightly humorous and straightforward story of the Hartmans, a pleasantly typical American family, who enjoyed a reasonable amount of quiet and peace until Spring entered the scene—to stir the blood and lift the heart.

When the spirited Midge determined to manage the lives and emotions for her own ends, the hectic and hilarious complications into which she plunged the family almost proved disastrous. She caused her sister to be suspected as a thief, to almost lose the right boy; she dropped a bombshell into her father's business, threatening her sister's college education; she disrupted the carefully planned life of brilliant brother Elliott as a writer of tragic novels; she played havoc with the hearts of several other young people, including a visiting New York glamour girl and a bashful boy who really cared for Midge herself—in short, the sanity and well-being of everyone concerned.

As one of the most amusing plays ever presented on the D. H. S. stage, the three-act comedy of young youth was accepted by everyone who attended as a four-star performance.

This year featured one of the best dance orchestras that has ever come out of the music department. Co-featured with the band this year was the addition of a vocalist, Leo Adams, and the popular singing trio made up of Betty Lou Helmers, Mary Lou Hole and Nancy Noble.

The band and the afore-mentioned people appeared in many of this year's assemblies and were met with enthusiastic approval. The swing band, with its vocalist, has also played for our All-School Party and several USO dances for the soldier boys now stationed here in Danville.

D. H. S. Swing Band and Trio

As portrayed by the photograph, Mr. Hogbin is here seen as "Honest Abe" Lincoln. It was during the annual Wranglers' Club assembly that this action took place.

Mr. Whitesell is seen as he tried to get some pep from the students of D. H. S. Do you think he succeeded?

A scene from the annual production of *Moments Musical* is also shown to refresh the memories of those who had the pleasure of seeing the show.
